Presidential Plumbing, LLC Expands its Plumbing Services with New Office Location in Charlotte

August 17, 2023

Charlotte, North Carolina - August 17, 2023 -
Presidential Plumbing, LLC, a leading plumbing services company, is excited to announce the official expansion of its operations with the opening of a new office location in Charlotte, NC. Since 2013, Presidential Plumbing has been proudly serving the Matthews, NC, and Fort Mill, SC areas, and this expansion marks a significant milestone in the company's growth and commitment to providing top-notch plumbing services to its valued customers.

The new office in Charlotte is strategically located to enhance Presidential Plumbing's ability to cater to the plumbing needs of both residential and commercial clients in the Mecklenburg County area. The decision to expand into Charlotte was driven by the company's dedication to offering their exceptional plumbing services to a broader customer base and the increasing demand for high-quality plumbing solutions in the region.

Presidential Plumbing has earned an excellent reputation in Matthews, NC, and Fort Mill, SC, for its professionalism, reliability, and outstanding customer service. With their experienced team of licensed plumbers and cutting-edge equipment, the company has successfully tackled a wide range of plumbing issues, from routine maintenance and repairs to complex installations. By establishing a presence in

Charlotte, Presidential Plumbing aims to extend their renowned plumbing services and expertise to even more satisfied customers across the Carolina?s.

One of the key benefits of this expansion is the ability to provide immediate assistance during plumbing emergencies. With a dedicated team and resources in Charlotte, Presidential Plumbing can now respond promptly to emergency calls from both residential and commercial properties. Water leaks, burst pipes, clogged drains, and other unexpected plumbing mishaps can cause significant damage if not addressed quickly. The new office location allows Presidential Plumbing to act swiftly and efficiently, minimizing potential losses and disruptions for their clients. "At Presidential Plumbing, our mission has always been to provide reliable, efficient, and cost-effective plumbing solutions to our customers," said Danny Nunez, the founder and owner of Presidential Plumbing, LLC. "We are thrilled to extend our services to the vibrant city of Charlotte, and we look forward to becoming the go-to plumbing company for both homeowners and businesses in the area."

In addition to their emergency services, Presidential Plumbing offers a comprehensive range of plumbing solutions, including plumbing installations, inspections, repairs, and maintenance. The team is well-versed in dealing with various plumbing systems and fixtures, ensuring that each job is executed with precision and attention to detail. Whether someone is in need of professional residential or commercial plumbing services, Presidential Plumbing in Charlotte, NC can help.

To celebrate the expansion, Presidential Plumbing is offering exclusive promotions and discounts for first-time customers in need of plumbing services in Charlotte, NC. Homeowners and business owners in the area can take advantage of these special offers to experience the unparalleled service that Presidential Plumbing is known for.
