August 29, 2023 -
Windy City Fence Company is offering Chicago residents a full range of fencing products and installation services as well as custom-made fences.

A leader in residential and commercial fencing applications, Windy City Fence Company has been serving clients in the Chicago area for over 15 years. The company?s crew boasts a combined experience of over 25 years providing fencing solutions to all kinds of clients ranging from homeowners, celebrities, athletes, business executives, and small businesses to large corporations and federal, state, and local government agencies.

The family-owned and operated business is fully licensed, bonded, and insured to offer its services in Chicagoland. To date, the company has erected over 3,500 fences, servicing more than 2000 homes and 1500 businesses. Clients get to benefit from the company?s years of installation expertise as well as its eye for good design and creativity to recommend the most aesthetically pleasing fencing solutions for a property.

?We specialize in custom-designed solutions, regardless of the layout and topology of your property,? says the spokesperson for Windy City Fence Company. ?Whether your property is on a hillside or adjacent to a wooded area or creek, our knowledgeable staff will help you pick the right solution that meets all your requirements. No matter how big or small your project, our professionals can handle all types of fence installations, from temporary fence setups to long-term and robust security solutions. Call us today to find out why our customers consider us to be the best fence Company Chicago has to offer.?

The range of services offered by Windy City Fence Company includes residential services such as arbors & lattice, chain link fences, ornamental iron, composite material fencing, dog kennels, iron railings, mailboxes, vinyl fences, window guards, wood fences, and wrought iron fences, commercial services such as barbed wire/razor ribbon, bumper posts, chain link fittings, commercial chain link, commercial electric gate openers, and inside security fencing, perimeter security fencing, and security gates.

Windy City Fence Company works with advanced materials that can stand up against extreme weather conditions typical in the Chicago area such as hurricane-force winds, heavy snowfall, and everything in between. To achieve its durability and quality goals, Windy City Fence Company works with products from only the best manufacturers in the industry including National Plastics and Seals Inc., Long Fence, Johnson Bros. Roll Forming Co, Trion, and others.

For property owners who want to find out more about what the company?s fencing technicians are capable of, Windy City Fence Company makes available a gallery of photos of the recent projects it has completed for Chicago residents. The company also offers financing solutions through its partnerships, giving customers the flexibility to get their fence installed by choosing a payment plan that is within their means.

?With Windy City Fence Company,? says the spokesperson, ?you have the widest selection of fencing options offered at attractive price points and backed up by the installation offered by our skilled crew members. Our durable fencing installations are designed to provide privacy, improve your property?s curb appeal, and be long-lasting, adorning your Chicago property for decades to come.?

Several Chicago residents have thanked Windy City Fence company for its professionalism, wide range of product offerings, and helpful customer service. A 5-star review on its Google Business profile says, ?Very professional installation. Was able to complete it in two days. Provided a longer post in order to accommodate a fence topper. Was pleased with the final look. The cost was very reasonable. Would recommend for your next fence project.?

Another review highlighted on the company?s website says, ?I was impressed with their professionalism and attention to detail. They took the time to explain all of my options and even provided helpful visual designs so that I could make an informed decision about what type of fence I wanted for my property.?
