The service we were provided was beyond brilliant! A really quick response to an online inquiry followed by a personal text message with more information and photos for me. We live in regional Qld so imagine my surprise when I was notified my chairs would be arriving just two full days after ordering them! The chairs are so great, very very happy with the product and they were safely packaged for their trip north. Replica, you guys are great and have a lot to be proud of!?

Another reviewer writes, ?I purchased 8 of the Replica Masters Plastic Dining Chair in Charcoal on the Wednesday (late afternoon). I received all 8 chairs the following day with a text msg that morning to say that the chairs were on the way. Thank you so much Replica Furniture. Your fast, efficient service is something we have not experienced lately with other companies. We will definitely purchase from you guys again!?
