Sunsella, a business based in Las Vegas, Nevada, has announced that their home and kitchen products have been made available on Amazon. The company offers high quality home and kitchen products that are shipped for free anywhere in the US. These include a bento lunch box, stainless steel vegetable steamer, silicone vegetable / food steamer basket, multi-purpose cutter and chopper, stainless steel water bottle, adhesive spice clips, and potholder set. More about these can be found at <https://www.amazon.com/stores/Sunsella/node/7914066011>.

Mike Law, a spokesperson for Sunsell, says, "We've placed practically all of our home and kitchen products on our Amazon page. This allows people to take advantage of the many Amazon benefits when purchasing our products, such as fast and cheap shipping, reliability, and assurance of the best prices."

The Leakproof Bento Box Lunch Container is one of the Sunsell products that can be purchased through Amazon. These are 100 percent leakproof bento boxes, which offer the benefit of people not having to worry about liquids leaking out and ruining the whole meal and other things. This bento box is ideal as a work lunch box. With these lunch boxes, people can plan and prepare lunch for the whole week and store these in the refrigerator for quick and easy access in the morning before going to work. It is also easy to clean and is dishwasher safe. It is also ideal for students.

Another popular Sunsella product that can be purchased through Amazon is the vegetable steamer that is 100 percent stainless steel. This is ideal for people who want to eat healthy. It offers the best way to cook fruits and vegetables because all of the nutrients and minerals are retained. Of course, it can also be used for steaming other kinds of food, including seafood, desserts, dumplings, meat, chicken, eggs, and more.

The Sunsella silicone vegetable steamer can also be bought through Amazon. This has a unique, compact and collapsible design to allow easy storage. It is made of high grade silicone and adjusts to fit various pots and pans. It is heat resistant up to 446 degrees Fahrenheit or 230 degrees Centigrade. It has sturdy locking handles for easy removal from a pot or pan. It is also foldable so that the pot lid can be closed while steaming. It can be used to steam fruits, vegetables, dumplings, desserts, seafood, eggs, meat, chicken, and more.

Also available on Amazon is the Leakproof Insulated Stainless Steel Water Bottle with Carrier Clip. This water bottle has a capacity of 17 ounces and it is double walled and vacuum insulated to ensure that hot or cold drinks will maintain their temperature for 24 hours. It has a leakproof screw on lid to prevent spills and help maintain the temperature of the beverage. It also has a removable silicone ring handle with aluminum carabiner. This makes it easy for the user to clip it onto a backpack, handbag, tote bag, or even a gym / fitness bag. This allows people to bring the bottle anywhere without the risk of leaving it behind.

Sunsella also sells through Amazon their Multi-Purpose, Pastry, Pasta Cutter and Bench Chopper, Scraper with Ruler. It is made of heavy duty stainless steel and it can be used in home cooking or for professional chef use. It can be used for flipping burgers or cleaning the bench top or hot plate after grilling. It can be used as a baking tool for bread and dough. And it can be used for chopping and slicing vegetables. It can also be used to clean counter tops, bench tops and cutting / chopping boards.

Sunsella also offers the 5 Pack Adhesive Spice Clips through Amazon. These are super strong adhesive spice bottle grippers. These strips are guaranteed to stick to kitchen cupboard doors, allowing orderly access to spice bottles and more. Also included in the pack is a five piece set of stainless steel measuring spoons.
