

SC Towing Launches Towing Service In Sacramento CA

August 08, 2019

August 08, 2019 - PRESSADVANTAGE -

SC Towing has announced that they have launched their towing service in Sacramento, California, and neighboring areas. They want to point out that they are able to provide the most affordable tow truck services in Sacramento, especially during emergency situations. Whatever the need, whether it is local towing, roadside assistance services, long distance towing, or any emergency situation, they are ready to help.

"We provide affordable towing service in Sacramento. Give us a call any day of week at any time," says Wade Bevan, a representative of SC Towing. Wade continues, "Emergencies happen when we least expect. While some of the incidences may occur in convenient locations where you can get quick assistance from passersby, others happen in isolated areas. This is precisely the reason why you need our towing services."

SC Towing is capable of providing a wide range of services. These include services for flatbed towing, car lockout, motorcycle towing, glass repairs, medium duty towing, off road assistance, winching services, oil and fuel solutions, tire change and repair, long distance towing, car towing, jump start and battery change, light duty towing, wrecker service, and junk car removal.

Wade points out that the company provides one of the most efficient and reliable road side assistance and towing services in Sacramento and surrounding areas. Because of their 23 years of experience in the towing

industry, customers would be able to trust them to provide cost-effective road side assistance services any time of the day or night. More information about their services can be gleaned at <http://gmbp.in/u/5d49a7bfe6758>.

Wade Bevan explains, "We are fully licensed, bonded and insured: our towing company is fully certified; bonded and licensed hence you can be confident that your vehicle will be handled with utmost care in in case you are stuck on the road. We are strategically located within town. We have 5 key valley locations strategically placed throughout the city to ensure our customers get fast ETA."

Wade points out that for those who are looking for emergency towing services, SC Towing provides the best tow truck rates. They understand the frustrations that motorists have experienced in searching for a tow truck company for a long time after their vehicle has broken down or has had an accident. The tow trucks of SC Towing are available 24 hours and are functional in 5 strategic points within the city of Sacramento.

They have a wide range of experience in providing towing services to thousands of vehicle owners in a span of more than 23 years. And aside from towing, they also provide roadside assistance including mechanical repair for broken down cars and trucks. And because of their high degree of customer satisfaction, Wade points out that the majority of their new clients come from referrals from satisfied clients.

They have a team of highly trained drivers and mechanics who are fully licensed and insured. They have undergone a strict screening process before being accepted into the company. And to make sure that they are able to provide their services 24/7, all of the drivers and mechanics come from within the city and work in shifts.

SC Towing is fully bonded, licensed and insured in Sacramento, and customers will not have to worry about any legal issues arising from damage to the vehicle as it is towed away. They always make sure to provide high quality and fast response to emergency roadside assistance requests 24/7 in Sacramento and nearby areas.

SC Towing offers affordable quality towing services that are fast, efficient, and reliable so that a stranded motorist will not have to remain stranded for long. Their service areas include Sacramento, West Sacramento, Rio Linda, North Highlands, Carmichael, McClellan, Elverta, Rancho Cordova, El Macero, Mather, Elk Grove, Antelope, Citrus Heights, Fair Oaks, Davis, Clarksburg, Hood, Woodland, Roseville, Yolo, Orangevale, Courtland, Pleasant Grove, Folsom, Rocklin, and Nicolaus.

Those who want to learn more about the towing services offered or would like to check out their offices can visit their Google Maps page at <http://gmbp.in/u/5d49a55a02ab4> or their website. People can also call them on the phone or contact them via email.
