

Tough Man Beard Grooming Launches New Facebook Page

July 27, 2015

July 27, 2015 - PRESSADVANTAGE -

Tough Man Beard Grooming, a beard brand for those that loves their beard, recently launched their new Facebook page. The Facebook page will provide updates, information and tips about beard products and beard care for the modern man.

"Our new Facebook Page will serve as an invaluable resource to our customers who care for their beard and are looking for beard grooming products to keep the beard well groomed," said Johnny D. Bulter, of Tough Man Beard Grooming. "By increasing our social media presence through Facebook and other social media, Tough Man Beard Grooming can reach more people with its mission to help the bearded man always to have a great beard day. Here they can get updates on new products, tips and offers."

The new Facebook page operates as a second channel for customers and others with beards, to keep updated on the newest products and trends in beard care. It operates as an adjunct to Tough Man Beard Grooming's main website, ToughManBeard.com. In addition to offering product information and newsworthy

information about beard care, customers here have a mean to share their beard care tips. Here they can share their experience with the beard oils, and the other products the Tough Man Beard Grooming offer, and to interact with the company directly.

"We are looking forward to this opportunity to reach out to our customers more directly and be able to interact with them on Facebook," said Bulter.
