?My practice encompasses a wide variety of clients on criminal and investigative matters,? says Ryan Garry. ?As a specialty criminal defense firm, we have helped everyone from homeless people to famous celebrities and professional athletes navigate the scary waters of the criminal justice system. We do not judge our clients for their actions. Our entire goal of representation is to solve the problem that brought them to us in

the first place. We even represent practicing attorneys and doctors who have found themselves in compromising situations. We are ready to get in the trenches and go to trial, giving our clients the opportunity to get out of their legal troubles where it matters the most ? in the courtroom.?

Ryan Garry?s professional accomplishments speak for themselves. As a trial attorney, he is certified by the Minnesota Bar Association, a distinction achieved by less than 3% of criminal defense attorneys in Minnesota. Every attorney in the firm is recognized by their peers as either a Superlawyer or Rising Star Superlawyer, a designation afforded to only the top 5% of criminal defense lawyers. Moreover, in 2018, 2019, 2020, 2021, and 2022, Ryan was selected as a Top 100 Lawyer in Minnesota, an extremely rare designation.

The range of services offered by the Minnesota criminal defense attorneys includes expungement, violent crimes such as murder, manslaughter, criminal vehicular homicide or injury or operation, arson, assault, domestic assault, burglary, robbery, and kidnapping, sex crimes such as criminal sexual conduct, child pornography offenses, prostitution, and engaging in prostitution, drug crimes, white collar crimes such as identity theft, theft, bribery, and COVID-19 PPP loan fraud, federal crimes such as internet and media crimes, terroristic threats, crimes of terrorism, driving crimes (auto & boat) such as driving while intoxicated (DWI/DUI), and investigation.

Clients across Minnesota have recognized the legal acumen of Ryan Garry - Criminal Lawyer and his handpicked team of legal experts. The law firm has even been awarded a near-perfect overall rating of 4.9 out of 5.0 on its Google Business profile from over 120 reviews. Clients praise Ryan for helping them fight their cases when the odds seemed stacked against them, for the responsive customer service provided throughout the trial, and for the favorable results the team is able to get them.

A recent review says, ?I write about my experience related to Ryan, Shelly, and Elizabeth helping me with two cases. Ryan is a giant when it comes to criminal defense. His office is prompt and the staff is exceptional when it comes to communication. They are non-judgmental in their review and straightforward in setting up expectations. Best of all, being wrongfully accused, they were able to get the desired results for me. I owe them and give them my highest recommendations in any criminal defense.?

Another client writes, ?I emphatically would not hesitate to recommend this firm to family & friends and I have them on speed dial if God forbid I ever need their services again. After steadfastly leading me through the gauntlet of the justice system during my recent case, I will always put my faith in Elizabeth and Ryan. Because of their genuine compassion, concern, and ability to find humor in dark situations, I now consider them friends.?
