Fairfield-based Termite and Pest Control in Fairfield is very happy to announce the merger and acquisition of a local bug control company in Fairfield. This purchase will provide the organization the ability to strengthen its presence in Fairfield, CA and will help both residential and commercial clientele throughout Solano County.

"We are thrilled to greet these new customers and personnel to Termite and Pest Control in Fairfield," said the President and CEO of Termite and Pest Control in Fairfield. "For more than 30 years, these individuals have been serving a considerable customer base all through Fairfield carefully and compassionately and we are thankful to carry on that commitment for the long run. This new location will operate as Termite and Pest Control in Fairfield and provides us a significantly bigger reach through the State of California."

"We really feel fortunate to have connected with Termite and Pest Control in Fairfield," stated the Founder of the acquired organization. "We've spoken with many companies over the years so we realize Termite and Pest Control in Fairfield will take the best care of our staff members due to their very good family culture and, on top of that, they're going to have greater options for advancement." They added, "After getting together with their group through the research phase, we recognized we were selecting the most appropriate service provider and therefore are excited we will be able to provide more products, and this includes termite check ups and removal to our current clientele."

"Termite and Pest Control in Fairfield is a very recognized and well respected name in the state of California and we are really excited to have this formidable team of specialists join us," declared a Senior Executive at Termite and Pest Control in Fairfield. "Fairfield is still a fantastic market for us and having one more location only strengthens our profile. We feel fortunate to have made this acquisition and can't wait to start implementing new programs with another team of termite specialists."

Termite and Pest Control in Fairfield has been helping the Fairfield neighborhood for quite some time furnishing services such as bed bug treatments, stinging insect removal, rodent control in addition to their principal specialization, termite inspection and extermination.
