

NurseRegistry Introduces Los Angeles Concierge Nursing Care Service

February 23, 2024

SANTA MONICA, CA - February 23, 2024 -
NurseRegistry, a leading provider of licensed nursing care across California, has expanded its distinguished private nursing care to include Los Angeles concierge nurse services. This extension of services aims to provide high-end health care in a tailor-made, flexible manner, allowing individuals to receive top-quality nursing support from the safety of their own homes.

With a focus on superior patient care, the Los Angeles concierge nurse service provides clients with a host of supportive measures. These include home 24/7 around-the-clock care, IV infusions, medication management, post-operative recovery care, monitoring of vital signs and symptoms, wound care, and more. Services are provided by expert, licensed, and professional nurses who devise personalized care schedules that align with the unique needs of each client.

Josh Pangan, CEO of NurseRegistry, highlighted the potential influence on healthcare delivery, stating, "The introduction of our LA concierge nursing care signifies our commitment to always providing innovative and

individualized care solutions. Recognizing that individuals lead varying lifestyles and schedules, our drive is fueled by our capacity to adapt and deliver care that accommodates these differences."

This novel service reaffirms NurseRegistry's dedication to reshaping the nursing landscape. The organization is persistently steering the healthcare sector with a distinct vision to deliver dependable and efficient nursing care.

Top considerations NurseRegistry provides for while an individual may opt for concierge nursing care include the convenience of premium care at home, complete privacy beyond standard NDAs, 24-hour VIP care, top nursing talent, and a streamlined process to ensure receiving a high-end nurse is never a burden.
