"You are unique. You are different," points out the Maserati dealership. "You hate average and prize going the distance. You want a car that enforces this mantra. You want a car that is the opposite of ordinary. In other words, you need the new 2019 Maserati Ghibli." The Ghibli provides drivers with an experience few other vehicles can match, offering a unique mix of performance and style. Its interior offers the lavish comfort one would expect from any luxury car, while the engine provides top class performance.

According to Maserati of White Plains, "The original Maserati Ghibli embodied the marque's hunger to innovate, compete, and win. Today, Ghibli maintains that tradition of empowered, race-bred performance—combining a smooth, luxurious ride with razor-sharp, coupe-like handling."

The 2019 Ghibli comes with a variety of advanced modern tools, including the high tech driver assistance package that equips the Ghibli with a wide range of modern tools to make any journey (be it a cross country trip or a quick spin around one's neighborhood) safer and easier to navigate. In addition to safety and comfort, the Ghibli offers raw power and speed. It comes with a Turbocharged V6 engine that delivers 345 horsepower, 369 lb-ft of torque, 166 MPH top speed, and 5.5 second 0-60 time. "You'll definitely feel good behind the wheel of this beautiful beast," guarantees Maserati of White Plains.
