123 Bien Unveils Free Lessons to Master Basic English Words and More

March 22, 2024

Sellersburg, Indiana - March 22, 2024 -
123 Bien, a highly regarded online learning network, is known for providing free, quality English language instruction to students all over the globe. The platform stands out in its staunch commitment to user privacy and efficient use of data. It successfully delivers a user-friendly experience tailored to the modern, digital-oriented learner, helping them to learn English vocabulary in an intuitive way.

The platform offers a diverse range of services to cater to various educational needs. These services include vocabulary lessons aimed at expanding the learners' stock of basic English words, lessons on elementary English sentence structures, and English speaking lessons. Recognizing the unique requirements of younger students, the platform also delivers English conversation lessons specifically designed for children. Additionally, 123 Bien provides English lessons in Spanish and French, acknowledging the language diversity among its learners.

The CEO of 123 Bien commented, "We aim to create a platform accessible to all, meeting the diverse

learning needs of individuals seeking to improve their English language proficiency. We are proud to offer extensive resources and are delighted to provide solutions that cater to the individual learning needs of our users.? Reflecting his statement, the platform addresses a broad array of topics, making it suitable for English learners at all levels.

123 Bien supplements its core resources with wide-ranging extrinsic online materials. This includes links to leading English learning websites such as English Club, ESL Kids, VOA English, Duolingo, ManyThings.org, and Talk English. This broad database is designed to enrich the students? study experience, emphasizing the importance of continued practice in learning English vocabulary actively.

To extend the reach of its services, 123 Bien has launched a "Common English Verbs Lesson" on their YouTube channel. The link to this lesson is as follows: https://www.youtube.com/watch?v=baMvvxa6EdY&t. Expressing the value of digital platforms in learning, 123 Bien representative, Tony Kummer, stated, "In an ever-evolving digital age, platforms like YouTube have become invaluable tools, providing learners ready access to essential content at their convenience."

This video lesson is explicitly crafted to teach the 25 most commonly used verbs in English. Examples are provided to illustrate each verb's usage context. This interactive approach not only helps students meaningfully learn English vocabulary but also enables a deeper understanding of verbs? application, thus significantly enhancing English speaking skills.

Further supplementing its services, 123 Bien offers a webpage that lists 100 basic English words deemed necessary for beginners. The organization notes that these words account for approximately 50% of speech, reading, and writing in English, thereby providing a solid base for learning English vocabulary.

Continuing to follow this path, 123 Bien remains committed to making the English language learning process enjoyable and straightforward. With comprehensive services and flexibility to adapt to digital learning environments, they present a reliable platform to empower learners with the necessary tools to learn English vocabulary effectively.

Concluding, the CEO of 123 Bien stated, "Learning a new language can be complex, but it is also an immensely rewarding experience. We at 123 Bien are committed to ensuring your English language learning journey is as smooth and enjoyable as possible.? By offering comprehensive, free English lessons online, 123 Bien has indeed made a considerable impact on learning, transforming it into an enjoyable experience.
