Recent Amazon reviews show that Zombie Cajun, a Spring Hill, Tennessee company, manufactures the best Louisiana hot sauce. The hot sauce is being sold on the Amazon marketplace, and the company is currently offering a free paperback version of the short story "Zombie Cajun Chronicles: A Time to Run" with each purchase of a Zombie Cajun Gift Box. The book offers a tale of zombies and hot sauces, and adds an entertaining touch to the set.

Ricky Hooter of Zombie Cajun recently stated that, "It's not about the hot, it's about the flavor. Hot sauce should taste good, not just take the roof of your mouth off, and we've created a collection of sauces that our customers are sure to find flavorful."

The gourmet food set offered on Amazon includes four different Louisiana style hot sauces, in addition to the paperback book about Zombies. Zombie Cajun hot sauce is made from cayenne peppers, and designed to provide more flavor than most Louisiana sauces. It has a heat rating of about five on a scale of one to ten.

Also included in the gift set is Zombie Cajun's The Antidote, which is an extra hot version of their original hot

sauce. It has a heat rating of ten out of ten and is a blend of cayenne and habanero peppers. Cajun Garlic, with a heat rating of five out of ten, is also included, as is the Lagniappe Hot Pepper Sauce, which is a three on the heat rating.

The gift set carries a five star average review rating on Amazon, and as one customer put it, "If you're looking for something to melt your tongue, this isn't it. These sauces are all about the flavor, and Zombie Cajun does flavor very well."

Based in Tennessee, Zombie Cajun is owned and operated by Louisiana natives. The company produces unique hot sauces due to their secret blend of herbs and flavors. They offer a 100 percent money back guarantee on all sauces, as owner Ricky Hooter states, "If one of our hot sauces is not your new favorite, we'll give you back your money."
