Spring Hill, TN sauce maker Zombie Cajun is proud to announce that their hot sauce variety pack has held the #1 seller badge on Amazon for over 20 months. The badge is within the "Sauce, Gravy and Marinade Gifts" category. The hot sauce variety pack has been popular from the very first time it was released, and people continue to enjoy the flavorsome sauces in a variety of recipes.

Ricky Hooter, owner of Zombie Cajun, says, "We are so proud to be recognized for our excellent quality sauces. When we first released them, we wanted to give people a chance to try some original and traditional Cajun recipes. It seems that the ancient way of cooking will always remain popular, because our sauces continue to sell."

The hot sauce variety pack contains four six-ounce bottles of different sauces. Included is the Zombie Cajun Hot Sauce, which is a Louisiana-style sauce with a cayenne pepper base. It ranks 5 on a 1 to 10 heat scale, and is usually used as a hot wing sauce. The second bottle contains Zombie Cajun's 'The Antidote', which is the hottest out of the lot. It rates 10 on the same scale, and is the one sauce that everybody wants to try, but very few actually dare to eat.

Then, there is the Zombie Cajun Garlic (Dual Protection) Hot Sauce, designed to keep both zombies and vampires at bay. It rates 5 on the scale, allowing people to truly enjoy the garlic flavors as well. Finally, for those who don't like things too hot, there is the Zombie Cajun 'Lagniappe (Lan-Yap)' Hot Pepper Sauce, which rates just 3 on the scale. It is a thick and spicy sauce with unique flavors.

For Zombie Cajun, the reason why they have been able to hold the number one spot is all down to their customers, who have been leaving positive hot sauce reviews for months now. "In this gift set there is a flavor everyone is sure to love!" says one customer. The gift set will continue to be listed on Amazon and Zombie Cajun aims to continue to hold the number one spot for some time to come.
