

Keathley Landscaping: Elevating Dallas, TX Spaces with Premier Landscape Lighting Contractor Services

May 31, 2024

GARLAND, TX - May 31, 2024 -
Keathley Landscaping, a distinguished landscape lighting contractor in Dallas TX, is thrilled to announce a comprehensive expansion in its diverse range of landscaping services to now incorporate customized landscape lighting. This addition marks a significant broadening in the company's efforts to improve the appearance and functionality of outdoor spaces throughout Dallas, Garland, Wylie Plano, and the surrounding regions.

Established in 2002, Keathley Landscaping has established a reputation for delivering quality, affordability, and precision in every landscaping initiative. With this latest expansion, the company aims to further enhance clients' enjoyment of their outdoor settings, offering specialized lighting solutions that not only illuminate gardens but also foster inviting environments that can be savored after sunset.

Addressing the increasing demand for beautifully illuminated outdoor landscapes, Keathley Landscaping has transformed into a leading figure among landscape lighting contractors, specializing in a service designed to

cater specifically to this growing need. The company shines in formulating personalized lighting plans that accentuate the individuality and requirements of every property. Their services range from accent lighting that enhances garden and architectural features to path and area lighting improving safety and navigation. Deck, patio, and water feature lighting extend the functional use of outdoor areas and augment the attractiveness of water components. Keathley Landscaping also uses cutting-edge moonlighting techniques to simulate the natural light of the moon, casting gentle shadows and creating peaceful nighttime ambiances.

Sustainability is a core principle guiding the services provided by Keathley Landscaping. As a forward-thinking landscape lighting contractor Dallas TX, the firm emphasizes the utilization of LED lighting for its energy efficiency, durability, and lesser environmental impact. Smart control systems are another highlight, empowering homeowners to easily manage their outdoor lighting, adapting the ambiance for varying occasions or to fulfill specific aesthetic goals. Moreover, the selection of robust, weather-resistant fixtures ensures the endurance of the lighting installations, protecting the client's investment from environmental wear and tear.

Logan Keathley, the CEO of Keathley Landscaping, shared his excitement about embracing dedicated landscape lighting solutions, saying, "Our move into specialized landscape lighting is not just about offering a service; it's about providing an unparalleled experience. We aim for our clients to rediscover the joy and beauty of their outdoor spaces under a new light, literally. By integrating eco-friendly practices and innovative designs, we're committed to creating outdoor environments that represent the pinnacle of elegance, functionality, and sustainability."

Keathley emphasized the significance of customization and collaboration in achieving exceptional outcomes, adding, "The uniqueness of each client's vision is what drives us, and we excel in bringing those visions to life. Through close collaboration, we dedicate time to comprehensively understand our clients' wishes, ensuring that each landscape lighting project not only reflects their personality but also satisfies their exact needs."

Apart from landscape lighting, Keathley Landscaping provides an extensive portfolio of services, including landscape design and construction, patios, fences, pergolas, decks, lawn care, and maintenance offerings. This broad-based approach has earned the company accolades and a steadfast client base, testament to its impeccable service quality and focus on customer satisfaction.

For those looking to enrich their outdoor living spaces with professional landscape lighting, Keathley Landscaping encourages potential customers to visit their website. There, visitors can explore the various lighting solutions available and learn how a customized lighting system can transform their outdoor living

experiences.
