Thermopeutic, a US-Based Company, has created a line of cold therapy products that work well for the sports injury as well for the sprain, falls, and much more. The Company has come up with the best neck ice pack for athletes that work great for pain relief and the injuries. Its hot-selling multipurpose cold pack comes in 15" X 7" that works best for the back, knee, arm, shoulder, foot, neck, etc.

Sportsperson reckons injuries or sprains due to the gaming equipment or due to rigorous exercises mostly. In this situation, if someone sprains their neck, then this premium ice pack by Thermopeutic is a complete savior. This ice pack has a high cold formula that stays for twice the time of other ice packs, and its ice gel pack is 30% thicker too.

According to Howard Shen, co-founder of Thermopeutic, "This premium ice pack works well for the people with kinds of injuries and neck pain. Moreover, it provides excellent compression in the treatment area with its high-quality neoprene strap."

This reusable ice pack is made of non-toxic gel and leak-proof plastic. It stays cold for longer as compared to

other ice packs. Besides, at this moment the company offers a lifetime warranty card while purchasing.

Michelle Liken, the customer of Thermopeutic, states, "Got for my neck, but have used on my ankle and other sore areas. Nice smooth surface, freezes quickly, nice strap that tightens well. I may have to get another one as I keep loaning mine out."

This shows that customers are delighted with this best neck ice pack as it provides quick recovery. So, those who are interested in getting this premium ice pack to comfort their injuries or pains they can buy it at Amazon or visit the website of the Company.
