Exclusive TICAL Black Honeycomb: The Ultimate Locking Humidor Safe Box for Marijuana Storage

August 12, 2024

STATEN ISLAND, NY - August 12, 2024 - PRESSADVANTAGE -
Buy Tical is excited to announce the launch of its newest high-end product, the TICAL Black Honeycomb Storage Lock Box. This locking humidor safe box for weed offers a secure and stylish way to store your items, making it perfect for both experienced and new users.

The TICAL Black Honeycomb Storage Lock Box is carefully made from wood and designed to keep everything fresh and organized. It features both a key and combination lock to keep your valuables safe. Each box is hand-painted, making each one unique.

Joshua "Raz" Rassin, one of TICAL's co-founders and COO, talked about the importance of quality and design in their new product. "The TICAL Black Honeycomb Storage Lock Box shows our dedication to combining function with high-end design. We want to give our customers a product that performs well and looks great in their collection."

One unique feature of this box is its exclusive nature. It?s available for pre-sale at $500, with shipping expected in Spring 2024. Each box comes autographed by Method Man and includes a certificate of authenticity, making it a valuable collector?s item. The interior is lined with gold vegan-friendly leatherette and high-density foam to keep items secure and protected.

Clifford Smith, Jr., better known as Method Man, emphasized how special this product is. "The TICAL Black Honeycomb Storage Lock Box is not just about storage; it's a full experience for our customers. Each included accessory is chosen to add value and make it more useful."

The box comes with several accessories that make it even more practical and appealing. These include a gold bone holder, a custom honeycomb print rolling tray, and a gold-colored kitchen grinder. This variety ensures that customers get a complete product that meets different needs effectively.

Supporting the locking humidor safe box for weed, the package also includes four custom glass jars and four non-stick containers. These items provide specialized storage options within the same package. The box also has elastic straps to hold pre-filled oil canisters upright, adding to its versatility.

The TICAL Black Honeycomb Storage Lock Box measures 13 inches by 10 inches by 6.5 inches, providing plenty of space while still being portable. Each unit also includes a custom Zippo lighter, a side compartment for tools and papers, and a TICAL pin, adding even more features.

One notable design element is the custom upcycled rubber coaster by Moodmats. This coaster is not only functional but also highlights TICAL's commitment to sustainable practices. Additionally, the box comes with a one-year limited warranty, covering manufacturing defects but not customer misuse or damage, giving buyers peace of mind.

Buy Tical?s focus on making customers happy shows in their return policy. Returns are accepted within 15 days of receiving the order, and customers receive store credit or promo codes for valid returns. This policy supports the brand?s goal of putting customers first, ensuring buyers have options if they need to return their purchase.

International customers should note that shipping costs may be high, and any customs charges will be their responsibility. However, the comprehensive features of the product make it a worthwhile investment for those looking for a top-quality storage solution.

Buy Tical continues to make a name for itself in the clothing and accessories market. Their range of T-shirts, hats, hoodies, and subscription services go well with the new TICAL Black Honeycomb Storage Lock Box, offering customers a complete shopping experience.

Visit the official BuyTical website for more information and to pre-order the TICAL Black Honeycomb Storage Lock Box. Customers can also explore a variety of products including TICAL Box, t-shirts, hats, hoodies, sunglasses, and other accessories. This product is expected to be a valuable addition for both enthusiasts and collectors, setting a new standard for storage solutions in the market.
