Allfloors Trade Centre Expands Safety Flooring Services in Kent, Leading the Way in Trade Excellence

July 12, 2024

Kent, England - July 12, 2024 - PRESSADVANTAGE -
Allfloors Trade Centre is expanding its safety flooring services in Kent and nearby regions. This professional flooring specialist, based in Kent and London, aims to meet the increasing demand for slip-resistant, durable flooring solutions in various sectors. With over 100 years of combined experience, the company provides high-quality flooring supplies and installation services to both residential and commercial customers.

The new range of safety flooring services targets places like hospitals, nurseries, schools, commercial kitchens, and retail environments. These solutions are perfect for high-traffic areas that deal with moisture and contaminants, offering slip resistance and durability. Besides being slip-resistant, these floors are stain-resistant and built to last, making them suitable for even the most demanding environments.

John Pitt of Allfloors Trade Centre, shared his thoughts: "We recognize the growing need for reliable and safe flooring solutions in diverse environments. Our commitment is to provide top-notch safety flooring that meets the high standards set by our clients. We're pleased to broaden our offerings and continue delivering quality and safety in equal measure."

At Allfloors Trade Centre, safety flooring comes in a variety of colors, styles, and textures, ensuring that both functionality and aesthetics are met. Their comprehensive service package includes supply and fitting, with the team handling everything from design to aftercare. Learn more on their dedicated page: Allfloors Trade Centre - Safety Flooring Kent.

Apart from safety flooring, Allfloors Trade Centre offers various other flooring options, including carpet, vinyl, luxury vinyl tile (LVT), laminate, hardwood, and artificial grass. This makes them a versatile provider for both indoor and outdoor flooring needs.

Their commercial flooring services are designed to meet the specific needs of different industries, ensuring practical and attractive results. They guarantee a high-quality finish for every project, contributing to both the function and look of commercial spaces.

In the domestic sector, Allfloors Trade Centre provides complete services. They survey the area, provide estimates, give advice, and install the chosen flooring, offering an end-to-end solution. The company promises to beat any written quotes, ensuring cost-effective options for their customers.

As part of their new focus area, they now offer design consultations. These consultations help customers find the best flooring choices based on both practical and aesthetic needs. The design team works closely with clients to identify the best solutions for their specific requirements.

"We believe in providing complete transparency and top-notch customer service," added John Pitt. "Whether it's a residential client looking for new carpet or a commercial client needing durable safety flooring, we are committed to delivering high-quality results."

To boost the customer experience, Allfloors Trade Centre frequently updates its blog with the latest news and trends in the flooring industry. Their blog serves as an educational resource, keeping clients informed about the newest developments and offering maintenance tips to help ensure the longevity of their flooring.
