Maggie Flack says in her recent 5-Star review that the clinic is, "Gentle. Caring. After waiting 10 years to go to the dentist due to my fear of the dentist, I finally went in with bleeding gums and pain. Dr. Sandler and her staff, including Stephanie, Veronica, Alexis, Liz and the front desk staff were very calming and soothing, and let me know I was in control of the experience. My cost and insurance cost were explained in detail. Wow! Who knew going to the dentist could be healing and kind."

In another review, Erica Grossman says, "My Solana Family Dental experience was absolutely delightful! Shannon put a smile on my face from the very first interaction, and I very much appreciated the thorough but reasonable approach to dental care. I especially appreciated that, throughout my visit, everyone took the time to explain everything that was happening and what the results of the X-Rays meant for my overall dental health. Thank you to the entire staff at Solana Family Dental for making my trip to the dentist both enjoyable and informative!"
