

Allfloors Trade Centre Expands Commercial Flooring Services in Kent - New Offering Ensures Quality and Durability

July 31, 2024

Kent, England - July 31, 2024 -
All Floors Trade Centre has announced that it is expanding its commercial flooring services in Kent and surrounding areas. This new initiative shows the company's commitment to providing high-quality flooring solutions to various sectors, including retail, hospitality, healthcare, education, and sports centers. With over 100 years of combined experience, All Floors Trade Centre offers a wide range of flooring options for both residential and commercial customers.

The new services are created to meet the unique needs of commercial clients. Customers can choose from a broad selection of flooring types such as carpet tiles, vinyl, luxury vinyl tiles (LVT), hardwood, laminate, and safety flooring. These options are durable and can adapt to different environments, making sure they meet both the practical and aesthetic needs of any space.

John Pitt, CEO of All Floors Trade Centre, said, "We are thrilled to expand our commercial flooring services in Kent. Our aim is to offer high-quality, durable flooring solutions that stand up to the demands of commercial spaces. This expansion allows us to better serve our clients and meet the growing needs for quality flooring

installations."

All Floors Trade Centre provides a full commercial flooring package. This includes surveying the area, offering detailed estimates, giving professional advice, delivering samples, and ensuring precise installation. The company promises to beat any written quotes, making their services both competitive and accessible.

In addition to a wide variety of flooring options, All Floors Trade Centre offers free estimates and design consultations. Their team of experts can help customers choose the best flooring solutions that match their needs and budget. The company prides itself on its end-to-end flooring solutions, offering everything from supplies and design services to aftercare. This comprehensive approach ensures that clients receive flawless service from start to finish.

"Expanding our commercial services enables us to cater to a wider range of industries more effectively. Our team is highly skilled and committed to delivering exceptional results," added John Pitt. "We are confident that businesses will appreciate the attention to detail and quality we bring to every project."

With a strong presence in Kent, London, Medway, Aylesford, and other nearby areas, All Floors Trade Centre has built a reputation for excellence over the years. The company's expanded services will now cater to even more commercial clients, offering them tailored flooring solutions that combine practicality with style.

For those interested in exploring the new commercial flooring options, All Floors Trade Centre provides a video overview of their services. The Allfloors Trade Centre - Commercial Flooring Kent - Video offers detailed insights into the different flooring types and installation processes, helping potential clients understand the quality and benefits of their offerings.

The company is dedicated to keeping its customers well-informed about the latest trends and innovations in commercial flooring through an active online presence and informative blog. Regular updates and engaging content allow clients to stay connected and make informed decisions about their flooring needs.

All Floors Trade Centre uses trusted brands to ensure the highest quality products. This commitment guarantees that the flooring installations are not only visually appealing but also long-lasting and reliable. Their expert contractors make sure every installation is done with precision, providing a seamless finish that meets the high standards of commercial spaces.

With this expansion, All Floors Trade Centre continues to build on its legacy of delivering outstanding flooring solutions to both residential and commercial clients. For more information about their services or to request a
