Costa Mesa, California - August 05, 2024 - PRESSADVANTAGE -
Costa Mesa, CA ? Resurgence Behavioral Health Alcohol & Drug Rehab is proud to share a heartfelt testimonial from Bethany, a former patient who has experienced the transformative care provided by the dedicated team at both their Costa Mesa and Riverside locations. Bethany's five-star review highlights the exceptional support, comprehensive treatment programs, and unwavering commitment to patient recovery that Resurgence Behavioral Health offers.

In her review, Bethany states, "All of the staff and nurses at Resurgence are phenomenal. They helped me a lot and gave me hope at my lowest?the two different times I came to both of their locations. Costa Mesa and Riverside locations. I would recommend their programs to anybody! That is if you are looking for detox AND 30-day residential, not just detox. Thank you, Resurgence!"

This glowing endorsement from Bethany underscores the holistic approach and personalized care that sets

Resurgence Behavioral Health apart in the field of addiction treatment. The facilities at Costa Mesa and Riverside are designed to provide a safe, supportive, and therapeutic environment for individuals seeking to overcome substance abuse and reclaim their lives.

Comprehensive services at Resurgence Behavioral Health are what patients and their family members can expect. Resurgence Behavioral Health Alcohol & Drug Rehab offers a wide range of evidence-based treatment programs tailored to meet the unique needs of each patient. Their comprehensive services include:

Medical detoxification at Resurgence Behavioral Health provides medically supervised detoxification to help patients safely and comfortably withdraw from drugs and alcohol. The experienced medical team ensures that each patient receives the necessary care and monitoring throughout the detox process.

The 30-day residential inpatient program at Resurgence Behavioral Health offers a structured and supportive environment where patients can focus on their recovery. This program includes individual therapy, group counseling, family therapy, and holistic therapies such as yoga, meditation, and art therapy.

Recognizing the interconnectedness of mental health and substance abuse, Resurgence Behavioral Health offers dual diagnosis treatment for individuals struggling with co-occurring disorders. This integrated approach addresses both the addiction and the underlying mental health issues, providing a more comprehensive path to recovery.

For those who require flexibility in their treatment, Resurgence Behavioral Health offers outpatient programs that allow patients to continue their recovery journey while balancing work, school, or family commitments. These programs include intensive outpatient programs (IOP) and partial hospitalization programs (PHP).

To support long-term recovery, Resurgence Behavioral Health provides access to sober living homes and aftercare programs. These resources help patients transition back into their daily lives with ongoing support and accountability.

Understanding the impact of addiction on families, Resurgence Behavioral Health offers family therapy and support services. These programs aim to heal relationships, improve communication, and strengthen the family unit as a whole.

The team at Resurgence Behavioral Health is composed of highly trained and compassionate professionals dedicated to helping individuals achieve lasting recovery. From the initial assessment to the development of a personalized treatment plan, each step of the recovery process is handled with care and expertise.

Bethany's testimonial highlights the success of this approach, emphasizing the hope and support she

received during her time at Resurgence Behavioral Health. Her experience is a testament to the facility's commitment to providing high-quality care and fostering a community of healing and recovery.
