Christiana, DE - A personal injury firm serving the State of Delaware, Tus Abogados Locales has announced the opening of a brand new location in Christiana.

"Tus Abogados Locales prides itself in having fought for the rights of Delaware residents who have been victims of personal injuries for many years. To this goal, we are always looking to support those communities which do not have the proper access to legal representation that has their best interests in mind," shared David Petrone, Esq., one of the head attorneys at the firm.

Being a team of experienced personal injury attorneys, the Tus Abogados Locales lawyers are specialized in a wide variety of cases that include auto accidents, medical malpractice, worker's compensation, disability benefits, and slip and fall lawsuits. These types of claims, which are generally founded on the legal concept of negligence on behalf of one party leading to another's injuries, also include defective product lawsuits.

"Through our new Christiana office, it is our intention to reach out to the population that we have found is increasingly seeking out 'abogados de compensacion al trabajador' and 'abogados de lesiones personales'

on online platforms. It is our belief that this indicates a clear need in the Spanish-speaking community for experienced injury attorneys who can stand by their side. From our new Boxwood Road location, and by offering free legal consultations to all, we are confident we can make a positive difference in the community," concluded Petrone.

From their new Christiana location, Tus Abogados Locales will serve the following areas: Brookbend, Woodshade, Wilton, Monterey Farms, Brookside, Wood Mill, Stanton, Marshallton, Newport, Birch Pointe, Pike Creek, and Spring Valley.

Their new office is located at: Tus Abogados Locales, 603 Boxwood Rd, Wilmington, DE 19804, 302-274-0383
