September 24, 2024 - PRESSADVANTAGE -

Acorn Tuckpointing & Masonry Restoration, a third-generation family business, is excited to announce the inclusion of advanced chimney repair services to its extensive range of offerings in the Greater Chicago Area. Founded in 1952, the company has earned a strong reputation for providing top-notch masonry and tuckpointing services.

The new chimney repair services by Acorn Tuckpointing & Masonry Restoration include re-pointing and re-seating of chimney pots, chimney relining, full chimney rebuilds, chimney removal, chimney breast repair, and chimney capping. These services are designed to maintain and improve the structural integrity of chimneys, ensuring they remain safe and durable.

Chester, a company representative, shared, "Our goal has always been to meet our clients' needs thoroughly. Adding advanced chimney repair services allows us to offer even more specialized solutions to

keep their homes safe and sound. We're dedicated to maintaining the highest standards in every project."

The company holds full licenses and insurance and has an A+ rating from the Better Business Bureau. It serves various sectors, including residential, commercial, industrial, and institutional projects. Acorn Tuckpointing & Masonry Restoration offers several additional services, such as tuckpointing, masonry, caulking and grinding, chemical cleaning, lintel replacement, waterproofing, and parapet wall rebuild and repair.

Their masonry repair services focus on both building upkeep and conservation, ensuring structures are both stable and visually appealing. Whether it's a minor touch-up or a complete overhaul, the skilled team at Acorn Tuckpointing & Masonry Restoration delivers excellent results.

"Our company has a longstanding dedication to quality craftsmanship and timely project completion. The recent addition of advanced chimney repair services aligns perfectly with our mission to serve the local community effectively," Chester added. "Offering a wide array of services under one roof makes it easier for our clients to get all their masonry needs met without coordinating with multiple contractors."

For chemical cleaning, Acorn uses specialized techniques to refresh old brickwork, removing years of dirt and grime without harming the building's structure. The company also provides caulking and grinding services to tackle issues like water leakage and crumbling mortar, further extending the life of structures in the Chicago area.

With the inclusion of advanced chimney repair services, Acorn Tuckpointing & Masonry Restoration continues to highlight its dedication to offering comprehensive solutions using sustainable practices and the latest technologies. Homeowners and businesses alike can count on the company to protect and enhance their properties.
