May 07, 2020 - PRESSADVANTAGE -

D.I. Auto Care, a Phoenix, Arizona based car detailing service, is reaching out to the wider community to announce that they offer mobile window tinting services to vehicle owners in Ahwatukee and the surrounding areas. D.I. Auto Care specializes in providing a variety of maintenance services for cars, trucks, RVs, planes, boats and high-performance cars.

Paul, a representative for D.I. Auto Care, says, "Tinting your vehicle's windows is a good choice because it can help protect your privacy, keep the interior of your vehicle looking young and clean for longer, reduce interior heat and prevent harmful UV rays from the sun from affecting you. Despite how desirable it is, however, you might not be able to get your vehicle's windows tinted because you have a very busy schedule and are unable to go out to get it done. If that's the case, you don't need to worry any longer. D.I. Auto Care provides a mobile window tinting service, and we will come to you—home, office, or garage—and do the work at time that is convenient for you."

The company offers mobile auto detailing services in addition to mobile window tinting. Further services offered by the company include tint removal, ceramic paint protection, auto glass windshield repair and replacement, car waxing and buffing and more. More information can be found at the following link: [Mobile Window Tinting Ahwatukee](#).

D.I. Auto Care also wishes to share an overview of current Arizona tint laws. The company says that the percentage of visible light allowed through a vehicle's windows is called VLT (Visible Light Transmission) and, in Arizona, non-reflective tint is allowed above the manufacturer's AS-1 line for windshields. The front side windows must allow more than 33% of light in, while any level of darkness can be used for the back side windows and the rear window.

The services provided by D.I. Auto Care have earned the company a lot of praise from their clients. On Google, the company has a near perfect rating of 4.8 out of 5 Stars. In their 5-Star review, Lacey T. shares that, "I received a citation regarding my window tint and needed to have it removed off of my front two windows. I sent a text message since it was a Sunday afternoon (instead of calling). I didn't want to be invasive. I received a reply back almost immediately and was able to have same-day service within a couple hours from my first text message. Paul was professional and quick, and the price was well within my budget. If you are looking for the same service, I definitely encourage you to give Paul a call."

Pope Anthony praises the Ahwatukee Mobile Tint service in another 5-Star review as well, saying, "Happy with my whole experience! I called Paul to see about getting the windshields replaced on two vehicles. He was very professional and showed up on time, and the work looked very good. I also scheduled him to tint my wife's new car and also have him come out every few months to detail the vehicles. I would highly recommend him. A+."

In yet another glowing review, Gabriel Alviar says, "I just got home from a 4-day road trip with the wife, and the car was a disaster. It was covered in bugs, food and coffee stains. I called Car Detailing Phoenix right down the road from my work to come detail it. Paul did an amazing job. I didn't think all of the bugs would come off but they did. My Mercedes looks great again. Next time, we will take the wife's car."
