Allfloors Trade Centre Expands Artificial Grass Offerings in Maidstone

September 16, 2024

Kent, England - September 16, 2024 - PRESSADVANTAGE -
All Floors Trade Centre, a specialist in providing and installing various types of flooring in Kent, London, and surrounding areas, has announced the expansion of its artificial grass offerings in Maidstone. This addition aims to provide both residential and commercial clients with a low-maintenance and durable alternative to traditional lawns.

John Pitt, CEO of All Floors Trade Centre, commented on the expansion: "We're excited to bring our high-quality artificial grass solutions to more customers in Maidstone. This product not only offers a consistently green appearance year-round but also requires minimal upkeep, making it an ideal choice for busy families and commercial properties."

For more details on their artificial grass services in Maidstone, visit Allfloors Trade Centre - artificial grass maidstone.

All Floors Trade Centre brings over 100 years of combined industry experience to its services. The company provides a wide selection of flooring options, including carpet, vinyl, luxury vinyl tile (LVT), laminate, hardwood, and artificial grass. Their services extend to both supply and installation, ensuring clients receive a complete end-to-end flooring solution.

The artificial grass offered by All Floors Trade Centre has several benefits. It requires minimal maintenance compared to natural grass, stands up well under different weather conditions, and is safe and non-toxic for children and pets. Additionally, it's economical over time since it helps save on maintenance and water bills. To visualize the advantages and installation process, a detailed video demonstration is available at this link: Allfloors Trade Centre - artificial grass maidstone - Video.

The company offers various types of artificial grass, including polypropylene, nylon, polyethylene, and

polyurethane. Each type has unique benefits, catering to different aesthetic and practical needs. Customers can choose the option that best suits their landscape and usage requirements.

"Our artificial grass products are designed to cater to diverse needs. Whether you need a play area for kids, a durable surface for pets, or a maintenance-free lawn for your commercial property, we have a solution that fits," said John Pitt.

The company offers a range of services to its customers. For homeowners, these services include surveying the area, providing estimates, offering advice, sampling different flooring options, and installing the chosen product. Commercial services are tailored to deliver practical and adaptable designs that meet industry standards.

In addition to these services, the company offers free estimates and promises to beat any written quote for the work needed. This ensures that customers receive competitive pricing alongside high-quality service. The team at All Floors Trade Centre is committed to providing full fitting services that encompass supplies, design consultation, and aftercare.

All Floors Trade Centre also focuses on customer education and keeps its clients updated with the latest trends in flooring through their blog. The company uses trusted brands to ensure the best results for their installations.

By expanding its artificial grass services in Maidstone, All Floors Trade Centre aims to provide a durable, aesthetically pleasing, and low-maintenance lawn alternative. The expansion aligns with the company's mission to offer high-quality, practical flooring solutions to a broad range of customers.

For inquiries or to schedule a consultation, All Floors Trade Centre can be reached at 01622 589999 or via email at info@allfloorstradecentre.co.uk. The company is located at Unit 17, 2M Trade Park, Beddow Way, Aylesford, Kent, ME20 7BT. Clients can also connect through their various social media profiles on Facebook, Instagram, LinkedIn, YouTube, TikTok, and Pinterest.

In summary, the expanded service area for artificial grass in Maidstone underscores All Floors Trade Centre's commitment to providing innovative, effective, and customer-focused flooring solutions. The team looks forward to enhancing outdoor spaces with their durable and visually appealing artificial grass products.
