Aya Natural, based in Upper Galilee, Israel, has announced the availability on Amazon.com of what is considered to be the best natural night cream for face. The All Natural Night Cream Face Moisturizer is intended for the nourishment and rejuvenation of the skin to counteract aging signs on the face and neck. It is a night cream, which means that it is designed to feed the skin on the face and neck while a person is sleeping, while using only the finest and safest ingredients. The expected result is the person waking up with vital and glowing skin. This is a 100 percent natural, cruelty free, and vegan anti aging night cream with a pleasant and fresh lavender fragrance.

Jamal Hamoud, the founder of Aya Natural, says, "The essential nutrients and antioxidants support hydration and collagen boosting for smoothing, tightening, lifting, firming, soothing and regenerating smooth and youthful skin. Thanks to the all natural ingredients we can stand 100% behind our slogan 'If you can't eat it, you should not be using it on your skin...'. At Aya Natural we believe that if you can't eat it, you shouldn't be putting it on your body."

The primary ingredients of the All Natural Night Cream Face Moisturizer are extra virgin olive oil and jojoba oil. The extra virgin olive oil came from the northern mountains of Galilee and is considered to be the finest in the world. This olive is extracted by cold pressing olives, which means that no heat or chemical processes are used, thus preserving its nutritional value. It contains only 0.8 percent fatty acids and it has been observed to be the most effective when it comes to protecting and restoring the skin. Jojoba oil, meanwhile, has a chemical structure that is very similar to the natural oils of the skin. It is easily absorbed by the skin with the result that the skin is moisturized, making it softer.

Another important ingredient of the night cream is avocado oil, which contains many nutrients, vitamins, nutrients, proteins, and fats that may have the effect of intensely moisturizing the skin. It may be able to enhance the skin's collagen production, thus soothing dry and itchy skin that is prone to psoriasis and eczema. Still another key ingredient is sweet almond oil. When regularly used, it may protect the skin from UV radiation and oxidative stress.

Meanwhile, Aya Natural also offers what is considered to be the best all natural moisturizer for dry skin to complement the effects of the night cream on the face of both men and women. The All Natural Vegan Face Moisturizer is a non comedogenic skin moisturizer that may have the capability to restore skin vitality. It can be used in combination with the All Natural Night Cream Face Moisturizer to possibly obtain a youthful appearance of the skin. The goal of this facial moisturizer is to nourish, hydrate, and heal the skin, thus causing the skin to look firmer, healthier, and more elastic. It may be able reduce wrinkles and tighten the skin. It may also be useful for sagging, oily, extremely dry, or combination skin. It has also been ensured to be cruelty free and free from parabens.

Also available from Aya Natural is the All Natural Face Serum Moisturizer that can be used by both men and women. This is a vegan anti wrinkle anti aging hydrating face lift serum for everyday use to treat dry skin on the face. It is intended to hydrate the facial skin and increase collagen levels, resulting into smooth and soft skin. It may also be used as an anti aging serum for treating sensitive, dry, or combination skin, and it is considered to be the best all natural face serum that may firm, tighten, and lift the skin. It is also a non comedogenic skin lightening cream that may be able to minimize dark spots, wrinkles, breakouts, and fine lines on the face.
