June 15, 2020 - PRESSADVANTAGE -

Nyack, NY based dealership Palisades Mazda is pleased to announce that they have a new series of Mazda3 lease offers that will be available during the month of June, 2020. The dealership advises hopeful Mazda owners to visit their showroom in order to get started on leasing their favorite Mazda before the opportunity passes them by. The showroom's availability may also depend on present circumstances regarding the COVID-19 pandemic and the possibility of future lockdowns. As such, Palisades Mazda stands ready to assist any customer who wishes to take out a Mazda3 lease as soon as possible.

Notably, customers may check out the all new 2020 Mazda3 from the comfort of their own home by utilizing the dealership's online portal. The Palisades Mazda website offers visitors a quick overview of the car's many exquisite features and even allows them to schedule a test drive if they so wish. Should they wish to visit the showroom in person, however, Palisades Mazda is pleased to share that they are currently able to see customers in person. However, the showroom and its associated facilities are observing all recommended social distancing guidelines, so visitors may experience limited capacity in waiting areas. On this note, customers will appreciate that Palisades Mazda is also taking the precaution of following all CDC cleaning guidelines in order to disinfect all community spaces.

Customers who wish to take advantage of the dealership's June lease deals for the Mazda3 will discover that they can now lease a Mazda3 for \$159 (certain terms and conditions may apply) per month for 36 months, with \$4,275 due at signing (all manufacturing rebates applied). With \$5,565 in total payments and a \$14,026 purchase option, many Mazda enthusiasts will be able to enjoy driving their brand new 2020 Mazda3 in a very short period. There is also a \$1,500 Mazda Lease Loyalty Incentive available (if qualified). A number of other attractive offers are available for the Mazda3 as well, and all interested parties are welcome to refer to the dealership's website or contact their customer service representatives in order to explore their options in greater detail. The website also includes a full list of the dealership's Mazda3 inventory for sale.

Palisades Mazda considers it their mission to put drivers in touch with the Mazda that they were born to drive. To this end, they strive to introduce each and every customer to their vast range of Mazda vehicles,

painstakingly helping them explore every aspect that catches their eye. A Mazda driver should be comfortable and confident on the road, according to Palisades Mazda, and their approach to customer service reflects this philosophy.

Based on the dealership's online reviews, the vast majority of their customers enjoy the attention they receive when they visit. Jeffrey Poulos says in their 5-Star review, which was shared on the Google platform, that, "During these uncertain times, John G. and the rest of the gang really came through and displayed the epitome of customer service. Having a video sent to me from a technician with regard to my car was fantastic, and this was an awesome feature. Simply put, they are communicative and professional. I'd recommend them hands down."

Echoing Poulos' comments, Kavita Vyas Dharmarajan's 5-Star review says that, "We leased a Mazda CX-5 last weekend, and we were very impressed at the length our sales agent Ed went through in order to get our lease agreement done. He even drove into NJ to pick up the lease agreement from Fed Ex when Fed Ex failed to deliver it to the Palisades offices in time. He stayed hours past the closing that day making sure we had everything we needed before we got on the road with our new car. Thank you, Ed, and thank you, Palisades Mazda!"

More information is available on the dealership's website, and interested parties are welcome to reach out to Frank Benedict of Palisades Mazda in order to follow up on any further inquiries. The dealership can also be reached via their social media platforms, such as Facebook, where they regularly share updates on their activities and special offers.
