
Berks Plastic Surgery Wins 18th People?s Choice Award for Best Cosmetic Enhancement in Berks County

January 23, 2025

January 23, 2025 -
Wyomissing, PA?Berks Plastic Surgery has once again been recognized as the leader in Cosmetic Enhancement by the Berks County People?s Choice Awards. This marks the 18th year that the Reading plastic surgery practice has received this prestigious honor, solidifying its position as a trusted provider of surgical and non-surgical aesthetic care in the community.

The Berks County People?s Choice Awards are determined by an annual survey conducted by an independent marketing firm. Thousands of Berks County residents participate in the scientific survey, identifying the businesses, organizations, and providers across 75 categories that provide outstanding services, maintain strong customer relationships, and deliver consistent quality year after year. This process makes the award a testament to the trust and satisfaction of local residents.

?The People?s Choice Award is a reflection of our community?s confidence in our work, and we couldn?t be

more grateful,? said Dr. Brian K. Reedy, board-certified plastic surgeon and founder of Berks Plastic Surgery. ?Earning this recognition for 18 years is more than just an achievement?it?s a responsibility we embrace every day. From the first consultation to the final follow-up, our goal is to deliver exceptional care and stunning results that help our patients feel confident in their own skin."

Berks Plastic Surgery has been setting the standard in cosmetic excellence since opening its doors over 25 years ago and offers a comprehensive range of services, including surgical procedures such as breast augmentation, mommy makeovers, tummy tucks, and advanced facial rejuvenation surgeries like facelifts, neck lifts, brow lifts, and eyelid lifts. Their highly sought-after plastic surgeons combine years of experience with cutting-edge techniques to deliver natural-looking results tailored to each patient?s unique anatomy and goals.

In addition to surgical expertise, the practice provides an array of non-surgical treatments and dermatological services, including Botox®, dermal fillers, laser skin rejuvenation, facials, and medical-grade skincare in addition to dermatological treatments like those for acne, psoriasis, and rosacea. Their dermatology and medspa providers ensure patients feel informed and confident about their care, delivering outstanding outcomes in both medical and aesthetic skin treatments.

?Our philosophy is simple: treat each patient individually and offer personalized solutions that prioritize their safety, comfort, and satisfaction,? shared Dr. Reedy. ?We are deeply committed to staying ahead of industry advancements to provide our patients with a range of surgical and non-surgical options so we can create a treatment plan that aligns with their preferences and lifestyle.?

Berks Plastic Surgery?s commitment to patient education and fostering long-term patient relationships extends beyond the practice. The team shares detailed explanations of procedures, real patient stories, and before and after photos on their social media platforms. Their efforts help demystify plastic surgery and also create a welcoming, informed community for people considering cosmetic enhancements. This transparent and approachable outlook is just part of what has made Berks Plastic Surgery the leader in Best Cosmetic Enhancement in Berks County for 18 years and counting.

?This award belongs to every member of our team, whose dedication and passion make all the difference,? added Dr. Reedy. ?It?s also a celebration of the amazing patients who come to us to look and feel their best. We?re so proud to be part of a community that values quality and integrity and look forward to maintaining the trust our patients have placed in our practice.?

Berks Plastic Surgery is located at 50 Commerce Dr, Wyomissing, PA 19610, and is home to award-winning plastic surgeons Dr. Brian K. Reedy and Dr. Scott C. Lindsay. Together with their skilled medical aesthetics and dermatology team, patients in and around Berks County including Reading, Philadelphia, Allentown,

Harrisburg, King of Prussia, Lancaster, Pottstown, and beyond are invited to come experience why Berks Plastic Surgery is an 18x People?s Choice leader in cosmetic enhancement.
