October 27, 2020 - PRESSADVANTAGE -

Event Organizers and individuals using tents can now access tent cleaning services by Nannini Linen Services.

Nannini Linen Services, a company that has specialized in providing linen services such as linen rentals and commercial linen washing, has introduced tent cleaning services. The company has provided linen services for years and is expanding its services in the industry. Tents are used together with linens in most events and this is why they have gone into tent cleaning services.

During the announcement, a company representative said, "We have always provided linen services including commercial linen washing and linen sales. And rentals. These are used by people and organizations in the events industry such as weddings and parties. In most cases, there are tents setup to accommodate the events and most of our customers who use our linen cleaning services have always asked if we provide tent cleaning services. This is why we decided to add tents to the items we clean. We clean all types of events tents using specialized detergents and equipment. Our experts are skilled and work fast and professionally to give you a clean tent ready for the next event."

The company offers a wide range of linen services and has experts to help customers choose the best options to meet their needs.

About the Company: Nannini Linen Services is a linen service company offering different services including line rentals, linen for sale, and linen washing. The company works with a team of experienced experts to provide high quality services in the linen industry. Nannini Linen services has over 40 years of experience and focuses on making event visions a reality through knowledgeable designers and high quality materials.
