November 17, 2020 - PRESSADVANTAGE -

5 Star Disposal, is the new name of the company that was formerly known as 5 Star Dumpster Rentals. This rebranding signifies the company's foray into providing local trash service as well as dumpster rentals. The company serves the cities of Murfreesboro, Smyrna, La Vergne, Shelbyville, Woodbury, Manchester, Lascassas, Walter Hill, Christiana, Rockvale, College Grove, Thompson Station, Auburntown, Milton, Smithville, Bell Buckle, Wartrace, Lebanon, and Mt Juliet in Tennessee.

David Sells says about the company's rebranding, "We wanted a way to signify to our clients that we have moved on from just dumpster rentals to a complete disposal service. Offering trash disposal services was the logical next step in our business. We are proud that we have moved on to service a larger need in the community. We wanted to showcase this growth through a tangible change. Changing the name of the company to something that is broader and represents the core competency of our company seemed like the correct choice. That is why we decided to rename ourselves to 5 Star Disposal."

5 Star Disposal is offering weekly trash removal to the Lascassas, Walter Hill, Milton & Auburntown area. Their weekly service is \$28 per month for the first 2 cans. After that, there is a charge of \$15 per month for each additional can. There is a \$50 deposit to start the service however that deposit is waived through January of 2021. There is a one time \$35 per can delivery fee. They offer 96-gallon trash cans which can hold around 7 tall kitchen garbage bags. There are no other hidden fees or charges. The company offers a contact form on its website where customers can request the service online.

The company claims to offer the largest selection of roll-off dumpster rentals in the area, with sizes that can accommodate waste containment and removal for projects and jobs of all sizes. The company claims that its containers are sturdy, durable, and easy to load. It also says that its rental process is straightforward and simple. They also offer an online booking system that allows for rentals on the client's schedule. It says that its dumpsters are priced affordably so that the client can easily stay within their budget. The company offers 11, 15, 20, and 30-yard dumpsters(a combination of 2 15-yard dumpsters) for its customers.

David Sells says about the company, "At 5 Star Disposal, we promise on-time deliveries, hassle-free reservations, affordable pricing, and professional customer service. We never sacrifice the quality of the service we provide, so you can count on us to always deliver on our promise to be the best dumpster rental company in the area. We believe that renting a dumpster shouldn't be a headache nor should it break the bank, so we set out to do things differently, putting our customers and their needs first. We don't want to waste your time or money. We're proud to be a local company that has been serving the area for years. We're dedicated to always providing 5-star customer service that makes your life a little easier."

The company offers services such as construction dumpster rentals for those doing remodeling work and who need to rent a construction dumpster. They claim their construction dumpster rentals are perfect for cleaning up after remodeling projects that involve getting rid of old cabinets, countertops, flooring, and more. They also offer residential and commercial dumpster rentals that can help with nearly any roofing job the clients can throw at them. All of the company's dumpsters can be used for roofing materials such as shingles, metal, and slate. For those looking for a residential dumpster rental, the company says its dumpsters are a great solution for yard cleanups, garage cleanouts, and unwanted junk removal.

The company can be contacted at its phone number (615) 900-4766. They are operational Monday to Friday during the week from 6:00 am to 6:00 pm. They entertain appointments on Saturday and Sunday too.
