Chief AJ, an online store selling slingbows, has announced holiday bundles on a range of its products. The store claims to offer the highest quality fishing slingshot for bowfishing. The website was named after its founder, Chief AJ, who invented the Elite Sling Bow. Chief AJ's Holiday Bundles are on sale for two days only, December 16th and 17th. This comes on the heels of 4 individual bundle days when only one bundle was featured per day, along with a massively successful 4-day Black Friday/Cyber Monday holiday event. More details can be read on the store's main website.

The first Christmas bundle includes the Chief's Elite at a 25% discount. The store claims that the Chief's Elite is a hand full of power, weighing in at just 1 pound (0.45 kg). It has a finger grooved handle and the store's new and improved ambidextrous fold down arrow rest. It also has a built-in, folding wrist brace. The customers get their choice of power bands. It comes with their BAP (Ball and Arrow Pouch) with D-loop. It also comes with an extra set of power bands. It can be used for shooting balls, rocks, full-length hunting arrows, and more. The handle is threaded to hold all bow attachments. It folds up to only 1.5" thick. The Elite also comes with the Chiefs 7 Pocket Fanny Pack. The Fanny Pack will hold the Elite and many more

supplies. It comes with a free bottle of band conditioner.

The second Christmas Bundle offer includes the Magnetic Elite at a 25% discount. The store claims that they have developed the magnetic pouch and a magnetic nock system that takes the place of the standard nocks in carbon arrows. It gives customers their choice of power bands, and it comes with a magnetic, triple-layer leather pouch with D-loop (the store claims the pouch has been tested over 600 times), finger grooved and threaded handle to accept other bow attachments, a new and improved fold-down ambidextrous arrow rest and a built-in folding wrist brace. Customers also get a 3 pack of magnetic nocks, a QuickFire Archery Release, and a 1 lb (0.45 kg) bag of 7/16" steel balls (nicknamed the "balls of death"). This unit has tremendous metal smashing capabilities and is great for hunting small game. Customers also get the Chiefs 7 Pocket Fanny Pack which will hold the entire kit. It comes with a free bottle of band conditioner. The Magnetic Elite and other such products can be explored and discussed on the official Slingbow Enthusiasts Facebook Group.
