

Carpet Cleaner in Panama City, FL is Offering a Free Disinfecting to Any Surface They Clean

December 31, 2020

December 31, 2020 - PRESSADVANTAGE -

Panama City, Fla. ? CCS Floor Care, a carpet cleaner in Panama City, FL, is knowledgeable and experienced in all areas of residential and commercial cleaning, such as hardwood floor cleaning, tile and grout cleaning, upholstery cleaning, oriental and area rug cleaning, and stain removal. Right now, to help their community stay healthy, they are offering a free disinfecting to any surface they clean.

The past several months have been difficult for everyone, from having to miss out on annual traditions to dealing with financial burdens. Seeing these difficulties, CCS Floor wants to do anything they can to help their community. They believe the least they can do is add another step to their cleaning process at no extra charge: disinfecting.

The disinfectant that CCS Floor Care uses is called Mediclean. It is a heavy-duty cleaner, deodorizer, and disinfectant. Being EPA registered as a virucide, sanitizer, Mildewstat, disinfectant, and fungicide, Mediclean is said to kill anything on the surface it is placed on. It then helps reset the viral load in the room. By using

Mediclean on every surface they clean, CCS Floor Care hopes to leave every office and home with confidence in its lack of nasty particles.

Experienced in all areas of residential and commercial cleaning, from floor cleaning to upholstery cleaning, CCS floor care believes in the importance of a clean home or office space. For offices or other places of business, regular cleanings are essential to help the interior feel inviting and lack dinginess. For residential spaces, professional cleanings can help keep rooms from looking cluttered, as well as reduce the number of dust particles lurking in the air. For any inquiries regarding CCS Floor Care services or to receive a free quote, give them a call today at (850) 265-4204 or visit their website at www.floorcare911.com.
