Pizza Republica to Launch New Spring/Summer Menus at Greenwood Village Location on May 7

May 08, 2025

GREENWOOD VILLAGE, CO - May 08, 2025 -
Pizza Republica is excited to announce the launch of its 2025 Spring/Summer menus on May 7 at its Greenwood Village location. The refreshed selections for lunch, dinner, and happy hour reflect the restaurant?s signature blend of seasonal ingredients, southern Italian tradition, and creative flair?just in time for the return of patio season in Colorado.

As the warm weather approaches, guests can look forward to experiencing a thoughtful lineup of new dishes designed to bring vibrant flavor and a sense of summer to every meal. From refreshing new appetizers to inventive entrées and handcrafted smoothies, Pizza Republica's Spring/Summer menu invites diners to explore the season?s freshest inspirations.

This year?s Appertivo Happy Hour lineup introduces several new bites, available daily from 4:00 p.m. to 6:00 p.m. Among them is the Watermelon Caprese, a seasonal twist on a classic dish featuring fresh watermelon, mozzarella, basil, mint, extra virgin olive oil, balsamic reduction, and Maldon salt. Also joining the happy hour selection is Summer Ricotta, a delicately plated offering with ricotta brulée, pickled tomato, red onion, mushroom, micro greens, extra virgin olive oil, and Maldon salt.

Seafood lovers will be pleased with the addition of Tuna Tartar, crafted from Amalfi tuna and accented with citrus, capers, Kalamata olives, red onion, and served with crisp olive oil crackers. Rounding out the new bites is Fava Toast, a seasonal vegetarian option that layers fava bean purée on toasted ciabatta with tomato jam, lemon ricotta, and fresh herbs. These selections highlight Pizza Republica?s focus on bright, flavorful ingredients and relaxed elegance.

Guests can also look forward to the new Pranzo Happy Hour, available from 11:00 a.m. to 4:00 p.m., featuring a curated selection of daytime cocktails and smoothies.
Among the Pranzo additions is a new category of Frullato di Frutta, or Italian fruit smoothies, including the Strawberry Sunrise, Morning Mango, and Blueberry Collagen Lift?each crafted to pair beautifully with the lighter fare of the season.

The dinner menu also sees exciting additions this spring. The new Amalfi Tuna Salad offers a Mediterranean medley of seared rare tuna, artichokes, Kalamata olives, green beans, fingerling potatoes, red onion, brown butter Dijon vinaigrette, fines herbs, and chimichurri. Another notable debut is the Porchetta & Potato Pizza, topped with roasted porchetta, roasted fingerling potatoes, ricotta salata, arugula, shaved parmesan, and fresh mozzarella?a hearty yet sophisticated option perfect for sharing.

Appetizer lovers will appreciate the new Sicilian Crab Cakes. These crab cakes are prepared with jumbo lump crab, red and yellow peppers, lemon, peppadew aioli, and micro greens. On the pasta side, the newly introduced Pasta Nurano delivers a satisfying combination of fresh roasted zucchini, garlic, strozzapreti pasta, fontina crema, zucchini basil velouté, and lemon gremolata. Each of these items reflects a balance of comfort and creativity, perfectly in tune with the season?s culinary energy.

At lunch, Pizza Republica adds the Porchetta Sandwich to its offerings. Served warm and layered with roasted porchetta, fontina cheese, basil pistachio pesto, and pork jus, it?s a bold yet approachable option for midday dining.

As always, the team at Pizza Republica remains committed to offering guests not only an exceptional culinary experience, but also a welcoming atmosphere. Whether dining indoors, enjoying the sunshine on the patio, or stopping by for happy hour with friends, the Greenwood Village location continues to be a destination for those who value quality, tradition, and genuine hospitality.

Guests are encouraged to make reservations early to experience the Spring/Summer menus when they officially launch on May 7. For full menu details and booking information, visit pizzarepublica.com.
