

Vox Security Limited Reaches More Business Owners Across The North East

February 09, 2021

February 09, 2021 - PRESSADVANTAGE -

Vox Security Limited offers quality solutions for property owners and businesses who are looking for the best security services. The company operates from their base in Gateshead, enabling them to provide a range of related services to the North East of England.

True to its mission of "A complete one-stop security, fire and electrical company," Vox security has been giving superior services in Gateshead and the surrounding areas for over forty years. Through the decades, the company has earned a reputation for being highly professional, fast, and reliable. With their brand of service, they consistently received the strongest recommendations from their commercial clients. "Very happy customer. I have used VOX a number of times and every time the work was on time, efficient and clean. Highly recommend," one client from Gateshead stated.

Vox Security has a staff of highly qualified Electricians. With this, businesses are assured that the level of expertise they receive from the company will always be correct and in line with all of the latest safety standards, as Vox Security are a family run business they are able to offer excellent benefits to clients that you would not be able to from the larger companies.

"For total peace of mind ? trust Vox Security Limited,? the company stated on their website, ?We are an established family run business, over the years we have built a team that can offer not only the highest standard of workmanship but we care about each and every customer, we have worked hard to gain our reputation as one of the best security companies for alarms and CCTV security systems,? Stated David the owner of Vox.

With its years of service and an excellent track record for satisfying their customers' needs, Vox Security Limited is indeed worth the investment for any business.
