Youssi Custom Homes of Iowa, a real estate developer based in Bettendorf, which is part of the Quad Cities that includes Davenport, Moline and Rock Island, in addition to Bettendorf, is pleased to announce their new condominium development project known as "The Condos at Forest Grove Crossings." This real estate development project is found in the prestigious Pleasant Valley School District, which was recently voted as the best school district in Iowa, according to MSN. The new condominium will be centrally located such that shopping, kids' activities, adults' night out places, and restaurants for great dining, and more are within easy reach. More about this project can be gleaned at <https://ychomesofiowa.com/lifestyle-change>.

Shane Youssi of Youssi Custom Homes of Iowa says, "We believe in empowering our customers for them to discover the proper fit and lifestyle change that suits their dreams and goals. For some people that means downsizing into a maintenance free zero entry condo and, for others, it has to do with looking for a quality and affordable new construction condo in the prestigious Pleasant Valley School District. It also means ensuring that income and financial goals are appropriately matched while investing in a low maintenance condominium that complements people's busy lives."

The Pleasant Valley School District is found in the Quad City Metropolitan area of Eastern Iowa and serves the education needs of more than 5,000 students in elementary, junior high, and high school. All of the school buildings are provided with air-conditioning and up-to-date technology. The district, which was established in 1962, includes 44 square miles of eastern Scott County including the towns of Panorama Park, Riverdale, LeClaire, over one half of the City of Bettendorf, and the village of Pleasant Valley. The district includes some of the richest agricultural lands in the US and various outstanding industrial and commercial enterprises.

Aside from the convenience of the location, which is only minutes away from the interstate and only 15 minutes away from the airport, allowing easy travel, there is also a bike path that is located right on Forest Grove and allows biking enthusiasts to ride their bike up to Devil's Glen. Residents will also enjoy the

convenience of a maintenance-free community because various needs, such as lawn care and snow removal, will all be taken care of. It is assured to be a safe community because security is provided and it has security features, including exterior lighting from dusk to dawn.
