MoldStar Remediation, an emergency water removal and mold remediation company in Atlanta, GA, has released the latest video in their series of Homeowner's Frequently Asked Questions. In the video, which is now posted on the company's YouTube channel and on the MoldStar website under the blog section, is titled "Do All Houses Have Mold?". Jeremy Shelton, the company owner and one of Atlanta's most trusted indoor air quality experts, walks homeowners through acceptable mold levels and when to consider having a professional test their properties for mold.

Jeremy and the MoldStar team have been serving Atlanta and the surrounding areas since 2010. Shelton possesses multiple certifications in both Water Damage Restoration and Applied Microbial Remediation through both the IICRC and American Council for Accredited Certification. Mr. Shelton's professional experience combined with the top certifications in the industry have made him and MoldStar Remediation one of the top mold removal companies in Atlanta.

The company regularly receives reviews such as this on their Google My Business Page: "My husband and I were really impressed with the professionalism of MoldStar. They were very accommodating and responded

very promptly when I called about the mold issue in our home. They did a fantastic job with removing the mold and giving reasons why it was there. I highly recommend this company.?

Homeowners located within Atlanta, Sandy Springs, Roswell, Marietta, and other surrounding Metro Atlanta areas suffering from toxic mold exposure are invited to speak with the MoldStar Remediation team to schedule a free consultation.

Real Estate Agents, Plumbers, Home Inspectors, and other local service businesses or licensed tradesmen or tradeswomen are invited to reach out to the MoldStar team to be featured on the resources page.
