

Youssi Custom Homes of Iowa Unveils New Ranch Style House Options at "The Condos at Forest Grove Crossing"

August 06, 2025

BETTENDORF, Iowa - August 06, 2025 -

Youssi Real Estate & Development Inc., operating as Youssi Custom Homes of Iowa, is excited to announce their latest project, "The Condos at Forest Grove Crossing." Situated in the Quad Cities, specifically in Bettendorf, Iowa, this development aims to deliver quality homes within the renowned Pleasant Valley School District. Recently named the best school district in Iowa by MSN, the area is an ideal spot for those looking to settle down.

Youssi Custom Homes of Iowa is a part of Youssi Real Estate & Development Inc., a respected real estate company known for specializing in building and developing condominiums, townhomes, and single-family residences predominantly across Boone, DeKalb, and Winnebago Counties of Illinois. They have built over 500 condos and expanded their services to Bettendorf, showcasing their commitment to providing high-quality residences in desirable locations.

With over 30 years of experience, Youssi Custom Homes of Iowa has built a solid reputation in real estate development. Their new venture focuses on creating high-quality homes that prioritize sustainability and customization. "The Condos at Forest Grove Crossing" merges modern technology with traditional building methods to lower environmental impact and improve energy efficiency. The company seeks to meet the growing demand for homes that offer sustainability and unique customization options tailored to the preferences of today's homebuyers.

Shane Youssi, spokesperson for the company, shared his enthusiasm for the project. "We are thrilled to introduce 'The Condos at Forest Grove Crossing' to the community. Our goal is to create homes that mirror individual styles and needs," said Youssi. "By integrating energy-efficient designs and offering various custom choices, we aim to build a neighborhood that residents will cherish."

The development will include a range of condos, allowing homebuyers to customize floor plans and finishes to their liking. This flexibility lets buyers choose options that align with their personal tastes and family needs. Designed with comfort and convenience in mind, each unit will feature luxury finishes and appliances that enrich the living experience. Crafted from quality materials, these condos promise durability and aesthetic consistency with the company's high standards.

The location of "The Condos at Forest Grove Crossing" makes it especially appealing for families, thanks to its close proximity to the Pleasant Valley School District. This aspect offers a great academic environment for children and teenagers, making it a significant factor in many purchasing decisions.

"The project in the Quad Cities is an important milestone for Youssi Custom Homes of Iowa as we extend our reach and deliver top-tier living spaces in the heart of this lively community," Shane Youssi remarked. "We are dedicated to communicating with our customers, understanding their desires, and providing homes that support both community spirit and individual well-being."

The company believes these condos will be a valuable addition to the local housing market. As they establish themselves in Bettendorf, they look forward to engaging with the community and aiding its growth. Their focus on sustainability and customer satisfaction distinguishes them as one of the key real estate developers in the area.

To help potential buyers explore their options, Youssi Custom Homes of Iowa has ramped up its digital presence. The new website includes interactive walkthrough videos, offering a virtual look at what the condos will feature once completed. This digital approach is supported by active social media updates on platforms like Facebook and Instagram, where project news will be shared regularly.
