

Big Orange Bins Launches New Website for Online Dumpster Rental Service

May 17, 2021

May 17, 2021 - PRESSADVANTAGE -

Big Orange Bins, a company based in Cypress, TX, has recently launched its new website for online dumpster rental service. They are a local, veteran owned and operated dumpster rental company providing roll off dumpsters for rent for various waste disposal needs. They serve not just Cypress but other areas, including Houston, Tomball, Katy, Waller, Prairie View, Hockley, Stagecoach, Pinehurst, Magnolia, The Woodlands, Brookshire, Fulshear, Pattison, and all areas in between.

The Big Orange Bins dumpster rental service offer various sizes of dumpsters, ranging from 8 yard to 25 yard dumpsters. The 8 yard dumpster measures 12 feet in length, 6.5 feet in width, and 3 feet in height, and can hold up to 3 times that of pickup truck loads. The 11 yard dumpster measures 12 feet in length, 8 feet in width, and 3 feet in height, and can hold up to 4.5 times that of pickup truck loads. The 15 yard dumpster measures 13 feet in length, 8 feet in width, and 4 feet in height, and can hold up to 6 times that of pickup truck loads. The 18 yard dumpster measures 15 feet in length, 8 feet in width, and 4 feet in height, and can hold up to 7 times that of pickup truck loads. The 20 yard dumpster measures 18 feet in length, 7.5 feet in width, and 4 feet in height, and can hold up to 8 times that of pickup truck loads. The 25 yard dumpster measures 18 feet in length, 7.5 feet in width, and 5 feet in height, and can hold up to 10 times that of pickup

truck loads.

Eric Valdez from Big Orange Bins says, "We're happy to announce that we have launched our new website. It is our hope that with this new website, people can easily order the rental of roll off dumpsters to make it easy to dispose of your junk and other wastes for whatever project you have, such as construction, home remodeling, spring clean, and more."

The company took two years to establish and become a reality. The father in law of the owner has experience with regards to trash removal with his father in law having worked for the city of Milwaukee. The father in law to be of the owner brought his family and skills on waste disposal to the city of Houston in 1998 and he continued working in this particular field for 10 more years. The owner met his daughter after returning home from two tours in Iraq and they now have three beautiful children.

It should be noted that there are certain materials that should not be placed in the dumpsters. These include: hazardous materials, freon appliances, tires, televisions, asbestos, wet paint, batteries, oils, railroad ties, and gasoline.

The price quoted online includes the rental of the dumpster for a period of seven days. The price includes the disposal of the waste or junk. In the event that the customer needs the dumpster for beyond 7 days, an additional price will be quoted.

There is no need for a permit as long as the dumpster is placed on the client's private property. The dumpster may also be placed on the street as long as it doesn't block the public right of way. And for permitting and regulations regarding dumpsters, it may be a good idea to check on the Houston Government website.

Ordering a dumpster can be done online through the Big Orange Bins website at any time of the day or night. The dumpster will arrive on the day scheduled by the client, between 9:00 am and 5:00 pm.

Those who are interested in learning more about the dumpster rental services can check out the Big Orange Bins website at <https://www.bigorangebinstx.com/>, or contact them on the phone or through email. They are open from 8:00 am to 5:00 pm from Monday to Friday; and from 8:00 am to 12:00 pm on Saturdays and Sundays.
