

Pest Control Teks Welcomes New Members

May 20, 2021

Sacramento, California - May 20, 2021 - PRESSADVANTAGE -

The team at Pest Control Teks is excited to introduce two new members. Barry and Barbara will be joining the company as pest control specialists, bringing a wealth of experience in the industry with them. Barbara has been working for more than 10 years in pest control and has a degree in biology from University College Dublin. Barry brings 15 years of experience as an exterminator and technician to his position at Pest Control Teks, while also holding a bachelor's degree from the University of Akron.

Barbara will be working as a specialist and will be in charge of training new employees when they start. Barry will provide pest control management, service calls, and technical support to the company's existing customer base. "We are very excited about the new positions," said company president Mary Daisy Muffin. "Barry and Barbara will be a wonderful addition to our team."

Pest Control Teks is a pest control company that provides services across Sacramento, CA. The company has been growing steadily over the past year, and now employs 18 pest control specialists. The team at Pest Control Teks welcomes the two new employees, Barry and Barbara, and are excited to begin working with them.

For the past 5 years, Pest Control Teks has been helping customers in NYC and Long Island with their pest control needs and has been growing exponentially to meet the needs of those in need of quality pest control services. In order to better serve the needs of its customers, the company is always happy to add new members to its ever-growing team of pest professionals.

The company is confident that new team members will be able to provide customers with the pest control services they deserve, and in a way that exceeds their expectations.
