

Chicago SEO Company Offers SEO Audit At No Charge

June 22, 2021

Chicago, Illinois - June 22, 2021 - PRESSADVANTAGE -

The Naperville, Illinois based Chicago Website Design SEO Company (CWDSC) is reaching out to the community to announce that they are now offering free-of-charge SEO audits for local business owners. The company encourages those unfamiliar with the subject to get in touch with their team to learn how SEO can boost their visibility and more.

A strong online presence and a search engine optimized website are two of the most important factors that will determine the success (or lack thereof) of a business's online marketing efforts. Companies that fail to focus on these important areas will face a continuous struggle attracting new visitors to their websites, especially when it comes to converting them into customers. The Chicago SEO specialists note that many companies face this struggle without realizing it, which is why part of their services focus on evaluating their prospective client's SEO.

"If you have an ongoing online marketing campaign that is not quite bearing the results that you were expecting, you may already be suffering the consequences of poorly optimized SEO," states Jack Lombardi, SEO specialist and CEO of the Chicago Website Design SEO Company. He continues, "Once you reach out to us, we will take a complete overview of your Local SEO performance in minutes. We will evaluate all aspects of your company's online presence, including Search Rankings, Local Listings, Reviews, On-Site

SEO and Social Media. Afterward, we will present you with whatever we find, along with a plan on how we can help in the event you hire our SEO services."

Lombardi explains that they can help almost any company improve its online presence and grow significantly. Their ideal client is a business with a good reputation and proper funding that is ready to take the next step and increase its growth and success. This business should be ready to learn new strategies and willing to apply them to their marketing efforts. By working with CWDSC, clients will learn how to leverage the web to increase sales, increase qualified traffic to their website and more ? all taught by professional SEO experts with years of experience in the industry and a long history of success.

"We increase your sales through effective SEO and high conversion web design," states Lombardi. Elaborating on some of the results that clients may expect, he adds that business will be more likely to, ?come up first online when customers search for services or products your business provides. All search results will point directly to your business. You will have access to real-time metrics of its website, so you can know exactly what your money is buying. Monthly reports are also available, and you'll have constant updates of how your website is doing on various search engines over certain periods."

One of the most important aspects of the local SEO company is their expertise. Their clients can achieve peace of mind by working with Chicago Website Design SEO Company, as the extensive knowledge and support of a seasoned team will always be a single call away. Accessibility and reliability are a top priority for the company.

Chicago Website Design SEO Company strives hard to fulfill all of a business's SEO and website design needs. They handle everything, from hosting solutions and reputation management to lead generation, pay-per-click (PPC), reputation management and so on.

Through their website, Chicago Website Design SEO Company showcases several testimonials that attest to the excellence of their service. They take pride in being one of the top-rated SEO agencies in Chicago, a title they have earned through hard work and years of consistently high results.

Irwin Myers, CEO of Video One Productions, shared his experience working with the company through their Yelp page, saying, "Now I have nearly 30 keywords on the first page of Google, and as cliché as it sounds, I owe it all to Jack. Jack tells it like it is. Unlike others in his profession, he told me that getting to number one takes time. And it did.?"

The company's website includes more information about Chicago Website Design SEO Company and the

various services they offer. Interested parties may reach out to Jack Lombardi to follow up on any inquiries. Additionally, they may connect with the SEO specialists through their official social media pages.
