This car dealer of Volkswagen cars makes buying or leasing a new or used Volkswagen vehicle easy. Their upfront, transparent pricing policy allows customers to make fast, easy, and simple decisions. This dealer serves the areas of Wappingers Falls, Hyde Park, Rhinebeck, Poughkeepsie, Hopewell Junction, Fishkill, Lagrange, Beacon, Millbrook, East Fishkill, Newburgh, Goshen, Cornwall, Kingston, Danbury, Middletown, and the whole Hudson Valley region.

Those who are interested in new 2020-2021 Volkswagen models or a used cars will find them in Hudson Valley Volkswagen, which has a wide selection of new and used vehicles, including the entire Volkswagen lineup such as the Volkswagen Jetta, Volkswagen Atlas, Volkswagen Atlas Cross Sport, Volkswagen Passat, Volkswagen GTI, Volkswagen Tiguan, or even the Volkswagen Golf. They are proud of their broad selection of quality pre-owned vehicles for our customers.

The new 2022 Volkswagen Taos has a fuel consumption of 28 mpg for city driving and 36 mpg for highway driving. A salient feature of the VW Taos is IQ.DRIVE, which is an advanced driver assistance technology that features hands-on semi-automated capability. It offers a set of intelligent features with the goal of helping the driver navigate the road ahead.

The 2022 VW Taos has a 4MOTION all-wheel drive to help the driver keep in control. It ensures that power is distributed between the front and rear wheels as required to help optimize stability and traction. And its turbocharged engine with 158 horsepower on the FWD provides the necessary power. This SUV is also provided with a 7-speed DSG automatic transmission, which assures smooth automatic transmission as it ensures that each gear is ready for fast, efficient, and smooth shifting. It has four drive modes, namely: snow mode, on-road mode, off-road mode, and off-road custom mode.

With regards to design, the exterior of the VW Taos has a unique, attractive silhouette, illuminated grille, and unique square wheel wells. The interior combines design, style and function to provide an interior that suits everyone's requirements.

Meanwhile, Hudson Valley VW also offers several VW Taos lease specials. These include the 2022 Volkswagen Taos, which is available for \$217 per month for 39 months with \$3,486 due at the start of the lease, with \$8,463 total payments. There is also a \$14,714.40 purchase option. Some of those available for lease are various 2022 VW Taos 1.5T S SUVs, 2022 Taos 1.5T SE SUVs, and more.

The new 2022 VW Taos is provided with a Volkswagen Digital Cockpit with a display that is truly a breakthrough. Rather than the usual instrument cluster, information is shown digitally in high resolution. The VW Digital Cockpit Pro can also be customized, allowing the driver to choose what would be displayed, from speed and travel time to assistance systems, route guidance, and elevation.

It is also provided with remote and connected features to make the drive comfortable and convenient even before the driver gets in. It comes with a remote start for chilly mornings, a wireless smartphone charger to keep the driver's compatible phone charged and ready to go, and more.

And with regards to sound, the VW Taos comes with innovative features and a several premium content. The SiriusXM with 360L curates a personalized experience for every driver. This can be tried with a three-month All Access trial subscription. When amplified by the available BeatsAudio®, a ride in the new VW Taos actually becomes a studio session.

Meanwhile, the SUV's driver assistance features can allow the driver to have more confidence. Its features include; dynamic road sign display, blind spot monitor, rear traffic alert, and park distance control and maneuver, and light assist.

And finally, the app-connect features allows the driver to simply plug in his or her compatible smartphone or connect it wirelessly and watch as his or her preferred apps appear on the touchscreen display of the Volkswagen Taos.
