Panama City, FLA. ? The team at CCS Floor Care Specialist is pleased to announce they are officially offering specialty stone restoration and cleaning services to customers throughout the Panama City area. After extensive training on the subject, the Panama City carpet cleaning team is now fully trained and able to meet all the stone cleaning and restoration needs of any household or business. CCS Floor Care Specialist can now offer stone cleaning and restoration for counter tops, flooring, showers, and other areas. Stone cleaning and restoration is essential for the upkeep of a beautiful home or business and should only be done by certified professionals.

Stone restoration and cleaning training usually takes a week of hands-on training for each technician to complete. The training teaches a variety of skills including determining stone damage, basic repairs, hand grinding and so much more. With this specialized training, the team at CCS Floor Care Specialist can bring out the beauty in a variety of stone surfaces, including travertine, granite, flagstone, limestone, slate and many more. The trained team uses proven restoration methods to bring stone back to its original finish and to

remove years of damage.

On the beautiful Emerald Coast of Florida, CCS Floor Care Specialists is the leading company for carpet, upholstery, hardwood, tile and grout cleaning. Customer service and quality work are priorities for the team at CCS Floor Care Specialists. The company was founded in 1984 by Mark Broersma and Mike Barr and is family-owned and operated. The company is known for offering a variety of quality services, including upholstery cleaning, hardwood floor cleaning, stain removal and more.
