Zombie Cajun, a hot sauce maker in Spring Hill, TN, is drawing attention to their Zombie Cajun hot sauce gift set, which could be used as Halloween gift. Released just in time for the season 6 premiere of "The Walking Dead," as well as for the spooky Halloween season, the company's timing couldn't have been any better. Those thinking of Halloween gifting, therefore, might want to consider the gift set.

"Our sauces are spooky and they are hot," says Ricky Hooter from Zombie Cajun. "It includes four different types of sauces ranging from hot to 'muy caliente'. We have won numerous awards, not just for the fantastic quality of our sauces, but also for the spooky packaging we have created."

The gift set is comprised of the four signature hot sauces that Zombie Cajun is known for. These are the Hot Sauce, rating 5 on a 10 point heat scale, The Antidote, rating 10 out of 10, Garlic (Dual Protection), rating 5 out of 10, and Lagniappe (Lan-Yap), rating 3 out of 10. In addition, each gift set also includes the Zombie Cajun Chronicles, a spooky story that has proven to be very popular. Put together, this could be one of the better Halloween gifts out there.

Previous customers agree that this really is a great product. "I'm a big fan of hot sauces and zombies so when I saw this, I thought it was just another gimmicky attempt to cash in on the masses," says Dave. "Boy, was I wrong. Inside the neat looking package are four bottles of different hot sauces, along with a pretty cool Zombie Cajun booklet. Overall, these are tasty hot sauces that will compliment any meal. I was surprised at how good they actually tasted. The box they come in with is also very nice and if you're a huge zombie fan, you'll love it."

The gift set is selling out quickly with the upcoming holiday season, so those who interested are encouraged to get theirs quickly. It is also possible to purchase the sauces and the Zombie Cajun Chronicles individually through the company's website at <http://www.zombiecajunsauce.com/>.
