Bouncyville Party Rentals Launches Event Equipment Services for Florida's Treasure Coast

October 24, 2025

October 24, 2025 -
Bouncyville Party Rentals, a locally owned party equipment rental company, has officially launched operations serving Florida's Treasure Coast region. Based in Port St. Lucie, the company provides inflatable bounce houses, water slides, tents, tables, chairs, and concession equipment to customers throughout St. Lucie County, Martin County, Indian River County, and Okeechobee County.

The company operates through its website at bouncyvillepartyrentals.com, which offers 24/7 booking capabilities, real-time inventory availability, and online reservation management for customers across the Treasure Coast. Founded in 2024, Bouncyville Party Rentals focuses on residential birthday parties, school events, church functions, corporate gatherings, and community celebrations throughout the Port St. Lucie metropolitan area and surrounding communities.

"We established Bouncyville Party Rentals specifically to serve families and organizations throughout Florida's Treasure Coast," said [Founder/Owner Name, Title]. "Our Port St. Lucie location allows us to

efficiently deliver throughout St. Lucie County, Martin County, and the broader region. The online booking system at bouncyvillepartyrentals.com allows customers to browse equipment, check availability, and complete reservations at any time, while our local Treasure Coast team handles all delivery, setup, and pickup."

Bouncyville Party Rentals provides delivery and setup services throughout Florida's Treasure Coast region. The company's primary service area includes: St. Lucie County: Port St. Lucie, Fort Pierce, Port St. Lucie West, Tradition, St. Lucie West, and surrounding area. Martin County: Stuart, Palm City, Jensen Beach, Hobe Sound, Indiantown, and Port Salerno

Indian River County: Vero Beach, Sebastian, Fellsmere, and adjacent communities. Okeechobee County: Okeechobee and surrounding areas

The company's centralized Port St. Lucie location enables efficient routing and punctual delivery throughout the Treasure Coast. All rentals include professional delivery, complete setup, and post-event pickup by trained staff. Delivery crews typically arrive one to three hours before scheduled event start times to complete installation and safety checks.

Bouncyville Party Rentals maintains an inventory of commercial-grade equipment available for rental through bouncyvillepartyrentals.com. The company's offerings include:

Bounce House Rentals: The company stocks bounce houses in multiple sizes, ranging from units suitable for toddlers to larger inflatables that accommodate teenagers and adults. Available designs include themed bounce houses and classic castle styles. Each bounce house undergoes inspection before and after each rental period.

Water Slide Rentals: The inventory includes water slides designed for the Treasure Coast's climate, with models ranging from compact residential units to larger slides. Water slide rentals are available for birthday parties, graduation celebrations, and summer events throughout Port St. Lucie, Fort Pierce, Stuart, and other Treasure Coast locations.

Combination Inflatables: These units combine multiple features?bouncing areas, climbing sections, and slides?within single structures. Combination units are designed for events requiring varied entertainment options within limited space.

Obstacle Course Rentals: Interactive obstacle courses are available for corporate team-building events, school field days, and community functions across the Treasure Coast. These inflatables feature competitive elements designed to encourage physical activity.

Interactive Games and Carnival Equipment: The company offers carnival game rentals and interactive game units that complement traditional inflatables. These additions provide entertainment variety for events throughout St. Lucie County, Martin County, and surrounding areas.

Tent Rental Service: Bouncyville Party Rentals provides tent rentals in multiple sizes for outdoor events across the Treasure Coast. Tents are available for intimate gatherings and larger celebrations, with professional installation included.

Tables and Chairs: The company stocks folding tables and chairs for events of various sizes. Table and chair rental packages are available to accommodate guest counts from small family gatherings to large community events in Port St. Lucie, Stuart, Fort Pierce, and throughout the region.

Concession Equipment: Available concession rentals include cotton candy machines, popcorn makers, and snow cone equipment. These units are popular additions to birthday parties, school carnivals, and fundraising events across the Treasure Coast.

The bouncyvillepartyrentals.com platform allows customers throughout the Treasure Coast to access services 24 hours per day, seven days per week. The website features real-time inventory availability, allowing customers to verify equipment availability for specific dates before completing reservations. The online system processes bookings for events throughout St. Lucie County, Martin County, Indian River County, and Okeechobee County.

In addition to online booking, Bouncyville Party Rentals maintains customer service channels including phone, text message, email, and website live chat. The company's Treasure Coast-based team responds to inquiries about equipment specifications, delivery logistics, setup requirements, and pricing.

All equipment in the Bouncyville Party Rentals inventory meets industry safety standards. The company uses commercial-grade inflatables designed for frequent rental use rather than consumer-grade equipment. Each piece of equipment undergoes inspection protocols before and after rental periods to verify structural integrity and proper function.

The company maintains commercial general liability insurance coverage for operations throughout the Treasure Coast service area. Between rentals, all inflatables and equipment undergo cleaning and sanitization procedures.

Setup procedures include proper anchoring of inflatables, verification of electrical requirements, and safety instruction for customers. Delivery teams are trained on setup protocols for events at residential properties,

schools, churches, parks, and other venues throughout Port St. Lucie, Fort Pierce, Stuart, and surrounding Treasure Coast communities.

Bouncyville Party Rentals partners with schools and churches throughout St. Lucie County and Martin County for fundraising events and community celebrations. The company works with organizations across the Treasure Coast to support local events and activities.

Bouncyville Party Rentals is a locally owned and operated party equipment rental company based in Port St. Lucie, Florida. The company serves residential, commercial, educational, and nonprofit customers throughout Florida's Treasure Coast region, including St. Lucie County, Martin County, Indian River County, and Okeechobee County. Services include bounce house rentals, water slide rentals, tent rentals, table and chair rentals, and concession equipment rentals with professional delivery and setup included. The company operates online at bouncyvillepartyrentals.com with 24/7 booking capabilities for Treasure Coast customers.
