September 23, 2021 - PRESSADVANTAGE -

Ace Rent A Car, a Victoria Park, Perth based car rental company, is offering discounts for healthcare and police workers. The company boasts over 30 years of experience and has situated themselves as one of the most affordable car rental companies in Perth and the surrounding areas.

Ajay Bakshi of Ace Rent A Car says, "Throughout the pandemic, thousands of police, doctors, nurses and other frontline staff have done so much for us. They have dedicated their efforts to saving our lives and maintaining our sanities while they are putting themselves in danger ? we can't thank them enough for their selflessness. This is why on our part, as a car rental company, we are offering a 10% discount to all our heroes across all of our locations in Mandurah, Victoria Park and Redcliffe. It's a small gesture in the face of what they are doing, but we want to show that we care for and stand with them in this difficult period."

Along with offering the discount, Ace Rent A Car states that should any frontline worker want to rent a car but find themselves unable to make it to one of the rental company's locations, they simply need to call the company for assistance. Ace Rent A Car will deliver the car to whatever location their client wants, be it a hospital, clinic or their home.

Ace Rent A Car is proud to say that they have the best vehicles for hire in Perth at highly competitive prices. Anyone looking to rent a car from the company can choose from fuel-efficient compact cars, luxury SUVs that can seat up to seven passengers and just about everything in between. More information about the rental services provided by the company can be found here: [Car Hire In Perth](#).

Bakshi says, "While we try to honor the efforts of our frontline heroes, we are also dedicated to ensuring that all of our customers are treated well, so we go out of our way to ensure that all of their needs are met in full. Whether you want a place to go out for dinner or simply want to know the best beach in Perth, you will find that our staff are always happy to help you out. We boast a multicultural, multilingual team who can speak a

variety of languages, including Japanese, Malay, Mandarin and more. Feel free to get in touch with us to inquire about rentals, home stays and so on. Always, expect more from us, and we will always deliver.?

The discount program offered by Ace Rent A Car is just one of the many ways in which the company has earned themselves an excellent reputation amongst the residents of Perth. On their Google profile, Ace Rent A Car has an excellent rating of 4.7 out of 5 stars from over 200 reviews. Tim Bluett writes in his 5-Star review, "The team at Ace are always very helpful and friendly and go the extra mile to find the right vehicle for you. Their pricing is as good as any, and the cars are always well maintained and cleaned. I highly recommend using the "little guy" over the big corporations wherever possible."

In another review, Ken Poliran says, "We have rented a minibus for 12 days to go around Pinnacles down to the Great Southern Region (Walpole, Denmark), WA. The mini-bus they provided us is almost new, clocking around 130 km. The vehicle is clean inside out. The best per day rate and service in the area! And nothing beats the kind gestures of the boss to discount me for the excess kilometers that I clock! 5/5 due to service, rate and vehicle conditions."

Ace Rent A Car - Australia has shared more information about their discounts for frontline and police workers on their website, along with further details about the company itself. They encourage interested parties to get in touch with their team via the contact form on their website or contact Ajay Bakshi directly via phone or email for any questions or concerns.
