Sanford, FL - Bestselling author, Caitlin Rain has released the new romance series called Toxic on Amazon. The first book in the series is called Toxic Love and provides a thrilling start to her latest billionaire romance work.

Recently the author mentioned to her eager fans, ?I?m excited to announce this first book in my latest romance series Toxic. It tracks the love interests of a strong heroine named Courtney. The romance story is set against the backdrop of the vibrant city of San Francisco. I know my readers will like this latest book and its accompanying series.?

The book Toxic Love follows the story of Courtney who works at the Real News Company along with Bryan. When it comes time to interview the big time billionaire movie star, Michael Atwood, Bryan leaves Courtney to do all the work. Courtney?s co-worker Bryan is madly in love with her but she only sees him as a friend. Courtney finds she is attracted to the famous and handsome Michael Atwood during his interview. The initial

interview gets cut short and transferred into a later dinner where things start to heat up between the two.

The reading audience have latched onto this first billionaire romance with enthusiasm. Some readers have expressed their love for the intrigue and suspense that the book provides. One five star reviewer, Philicia, remarked, ?It is a sweet, easy read. I am looking forward to the next one. I think Michael and Courtney will make a great couple.?

Another reviewer named Mary wondered about the start of the relationship between two of the characters in the book. She mentioned, ?I can't wait for the next book to come out. Is Michael bad for Courtney because I'm not sure at this point??

Another five star reviewer named Jennifer Duke thought the book was a great start to a series. She stated, ?I just read book one in the Toxic Romance series, I think it is a great start to a new series. You have to love an alpha male movie star and a feisty reporter! Courtney is even a redhead like me; I always enjoy a redheaded sexy heroine.?

The author, Caitlin Rain, has been writing fiction books since her freshman year in college. She uses her books to tell vivid stories about desire, raw emotions and the search for love.

Readers can purchase this exciting first book in the Toxic Romance Series on Amazon with a special discount price of $0.99. Others can access the billionaire romance book free of cost if registered through Kindle Unlimited.
