

Mini Binz Is Offering Dumpster Rental Services In St Catharines, Ontario

September 29, 2021

September 29, 2021 - PRESSADVANTAGE -

Mini Binz is one of the most affordable and high-quality service providers for dumpster rental St Catharines Ontario has to offer.

The company's dumpsters can be booked for the base price of \$269. The base price includes up to 7 days of rental time and 1 ton of weight. The company also charges \$20 for each additional day of rental and \$95 for each additional ton of weight. The cost of the extra weight is prorated to the exact amount.

The company's 4-yard dumpster is 12 feet long, 5 feet wide, and 2 feet high. The 4-yard dumpster is best for hauling concrete, brick, or asphalt as long as there is no soil in the load. It is one of the company's most popular rentals for landscapers and small concrete projects and repairs such as foundation repair, walkway demolition, chimney repair, plumbing trenching, small home cleanout jobs, and overhaul jobs for small driveways.

The company's 10-yard dumpster is 12 feet long, 7 feet wide, and 3 feet high. The 10-yard dumpster is the go-to choice for most of the company's customers that are cleaning up after common small range projects that don't generate soil or concrete waste such as roofing jobs, small bathroom renovations, landscape project cleanup, garage & attic cleanouts, home remodeling cleanup, cleanouts before moving, or spring cleaning jobs.

The company's 15-yard dumpster is 12 feet long, 8 feet wide, and 4.5 feet high. The 15-yard dumpster is best suited for larger cleanup jobs that don't generate soil and concrete such as general renovations, kitchen renovations, junk removal, fence removal, home renovation projects, estate cleanouts, and carpet removal.

The company's 20-yard dumpster is 12 feet long, 8 feet wide, and 6 feet high. The 20-yard dumpster is suited for heavy cleanup jobs that don't generate soil or concrete such as large renovations, construction site

waste, full garage or attic cleanouts, complete deck and fence tear outs, house cleaning or purging before a move, restoration cleanups such as after floods, fires, or reconstruction, demolition cleanups, and any other large-scale project that the client has in mind.

The company's clean and professional-looking dumpsters are brand new and don't contain holes from rust. There is driveway protection included with every rental. The dumpsters have an easy-to-operate door that allows the customer to walk debris directly into the dumpster.

A review of the company's services from its Google My Business page says, "We used Mini Binz for our roof replacement waste and some house cleanout material. The service was great! We booked a bin over the phone in just minutes. Due to weather conditions, we had to reschedule our bin delivery date, and another quick phone call was made and the customer service Rep was more than accommodating with the request. The bin was dropped off and picked up without issues and on time. Prices are fair as well. I would definitely recommend this service and would use MiniBinz again."

Another satisfied customer says in their review, "Very pleased with Mini Binz. Mini Binz delivered and picked up with ease. Bins in great sizes just right for what u need. Can be filled easily. Would highly recommend it to friends and family."

Another customer talks about the company's professionalism in their review that says, "The whole Mini Binz team was great, from the team in the central office to the team member delivering and picking up the bins. Everyone was professional, pleasant, and extremely helpful. The need for a dumpster was on short notice, but that was not a problem for this company. They responded within hours! Many Thanks to Mini-Binz. I will keep them on my list of reputable businesses."

The family-owned and operated company can be contacted at the phone number (905) 378-3381 from Monday to Friday from 8 AM to 5 PM and on Saturday from 8 AM to 12 PM.
