KCS Kitchener Cleaning Services Opens Two New Locations

February 13, 2026

February 13, 2026 - PRESSADVANTAGE -
KCS Kitchener Cleaning Services, a family-owned professional cleaning company based in Cambridge, Ontario, has announced the opening of two new physical locations in Kitchener and Guelph. The expansion enables the company to deliver residential and commercial cleaning services to property owners in those communities without the longer travel times previously associated with serving those areas from a single location.

The new offices represent a strategic step in the company's growth across the Kitchener-Waterloo and Guelph regions. By establishing a dedicated presence in each city, KCS aims to reduce response times, improve scheduling flexibility, and strengthen its commitment to the communities it serves.

"Opening locations in Kitchener and Guelph allows us to be closer to the property owners who rely on our services," said a representative at KCS Kitchener Cleaning Services. "We built this company on consistent quality and proactive communication, and having a local presence in these cities means we can deliver on

that promise even more effectively. Our clients deserve a cleaning partner that's accessible and responsive, and these new locations make that possible."

The expansion follows a period of sustained growth for the company, which has built its reputation on a reliable, results-oriented cleaning system, rigorous staff training, and structured business processes. All KCS cleaning professionals are background-checked, trained, insured, and bonded, and the company uses eco-friendly cleaning solutions across all of its service offerings. The two new locations will maintain the same operational standards and service quality that clients have come to expect from the Cambridge headquarters.

Clients at both new locations will also benefit from the same transparency and communication practices that have distinguished KCS in the Cambridge market. The company provides each client with their assigned cleaner's name and photo ahead of every appointment, and its mobile app allows clients to message their cleaner directly, add service notes, and manage scheduling and billing in one place.

KCS provides a comprehensive range of cleaning services, including general residential cleaning, deep cleaning, move-in and move-out cleaning, post-construction cleaning, and commercial cleaning for offices, retail spaces, medical facilities, and other business environments. The company also offers specialty cleaning for short-term rental and Airbnb properties. Clients in Kitchener and Guelph will have access to the full portfolio of services, with flexible scheduling options ranging from weekly to monthly for residential clients and up to daily service for commercial accounts.

"Our goal has always been to support the comfort and well-being of every client we serve," the representative added. "These new locations are a direct response to the growing demand we've seen from property owners in Kitchener and Guelph who want a cleaning service they can count on week after week. We're excited to bring that same level of care and reliability to even more families and businesses in the region."

KCS Kitchener Cleaning Services is a family-owned and women-owned company that has operated in the Kitchener-Waterloo region since its founding in Cambridge. The company has maintained an active presence in the local community through ongoing involvement in regional initiatives and partnerships. Prospective clients interested in residential or commercial cleaning services at either new location can request a free online estimate through the company's website.
