*March 03, 2026*

ASHBURN, VA - March 03, 2026 - PRESSADVANTAGE -
GBC Kitchen and Bath, a premier remodeling company serving Ashburn and surrounding Northern Virginia communities, announces the enhancement of its comprehensive renovation services to meet growing demand from homeowners seeking professional kitchen and bathroom transformations. The company's expanded service capabilities include advanced 3D design visualization technology and streamlined project management processes designed to deliver efficient, high-quality home renovations.

The announcement comes as Northern Virginia experiences continued growth in home improvement projects, with many homeowners investing in kitchen remodeling Ashburn properties to increase both functionality and property value. The company's enhanced services address the need for comprehensive renovation solutions that combine design expertise, quality craftsmanship, and professional project management under one roof.

"We're seeing unprecedented interest from homeowners who want to transform their living spaces without the hassle of coordinating multiple contractors," said Burak Sahin, Lead Designer at GBC Kitchen and Bath. "Our enhanced service model provides everything from initial 3D design concepts through final installation, all managed by dedicated project coordinators who ensure seamless execution from start to finish."

The company's comprehensive approach includes professional design consultation, permit handling, product selection assistance, and installation services performed by in-house craftsmen rather than subcontractors. This integrated model has enabled the company to complete more than 6,000 successful projects across Virginia, Maryland, and Washington D.C. since its establishment in 2008.

Bathroom Remodeling Ashburn residents seek is another core service area where the company has

expanded its capabilities. The enhanced offerings include custom vanity installations, natural stone countertops, steam shower systems, and various flooring options designed to create personalized spa-like environments. Each project receives the same meticulous attention to detail and professional management that has earned the company recognition from The Washington Post and multiple industry awards.

"Our commitment extends beyond simply renovating spaces," added Karakas. "We focus on understanding each client's unique vision and lifestyle needs, then translate those requirements into functional, beautiful designs that enhance daily living while adding lasting value to their homes."

The company's showroom, located at Ashburn Shopping Plaza, showcases various cabinet styles, countertop materials, and design options available to clients. The facility serves as a resource center where homeowners can explore possibilities, consult with design professionals, and visualize their renovation projects using advanced 3D technology. Financing options are available to make renovations accessible to a broader range of homeowners.

GBC Kitchen and Bath maintains full licensing, insurance, and bonding in all jurisdictions it serves. The company backs its work with a two-year workmanship warranty on all projects, demonstrating confidence in its craftsmanship and commitment to customer satisfaction. Its service area encompasses Ashburn, Leesburg, Herndon, Chantilly, Centreville, Reston, Sterling, Great Falls, Fairfax, McLean, and other communities within a 30-mile radius.

The company specializes in complete kitchen renovations, bathroom transformations, basement remodeling, and home additions. Its team of design professionals and skilled craftsmen work collaboratively to deliver projects that balance aesthetic appeal with practical functionality, ensuring each renovation meets the specific needs and preferences of individual clients.
