Clever Carpets & Flooring LTD Expands Mobile Showroom Service to Bricket Wood Communities

June 17, 2026

Watford, UK - June 17, 2026 -
Clever Carpets & Flooring LTD has announced the expansion of its mobile showroom service to serve residential and commercial clients throughout Bricket Wood and surrounding areas. The Watford-based flooring specialist brings comprehensive flooring solutions directly to customers' locations, eliminating the need for traditional showroom visits.

The company's enhanced service coverage now encompasses Bricket Wood Village, Mount Pleasant Lane, Jersey Farm, Park Street, and Smug Oak Lane. This expansion addresses growing demand for convenient, professional flooring consultations that accommodate busy schedules and allow customers to visualize flooring options in their actual spaces.

"Bringing our showroom directly to customers transforms the flooring selection process," said Daniel Romani, Managing Director at Clever Carpets & Flooring LTD. "Clients can see samples in their own lighting conditions and against their existing décor, making more confident decisions about their flooring investments. This approach has proven particularly valuable for both homeowners and businesses seeking efficient renovation solutions."

The mobile showroom features extensive samples from leading manufacturers including Polyflor, Altro, Cormar, Penthouse Carpets, and Associated Weavers. Customers can explore options ranging from traditional carpeting to luxury vinyl tiles, engineered wood, laminate, and specialized safety flooring suitable for commercial applications.

Clever Carpets & Flooring - Flooring Bricket Wood services include comprehensive consultation, professional measurement, next-day delivery options, and expert installation by certified fitters. The company also provides uplift and disposal services for existing flooring, streamlining the renovation process from start to finish.

The expansion comes as the flooring industry adapts to changing consumer preferences for personalized, convenient service models. Recent industry data indicates increasing demand for mobile consultation services, particularly in residential markets where homeowners value the ability to compare flooring options without leaving their properties.

Beyond residential projects, the company specializes in commercial flooring solutions, including safety flooring and wet room installations designed to meet stringent workplace regulations. All installations are backed by comprehensive guarantees and performed using manufacturer-recommended tools and techniques.

The company's estimating service provides accurate project quotes either through phone consultations or on-site measurements. This flexibility ensures clients receive precise pricing information tailored to their specific requirements and budgets.

Clever Carpets & Flooring LTD maintains partnerships with over twenty leading flooring manufacturers across the United Kingdom, enabling access to thousands of product ranges suitable for various applications and price points. The company's expertise spans traditional carpet installation, contemporary luxury vinyl tiles, sustainable wood options, and specialized commercial-grade safety flooring.

Based at 186B Bushey Mill Lane in Watford, Hertfordshire, Clever Carpets & Flooring LTD has established itself as a trusted flooring specialist serving Greater London and surrounding counties. The company combines traditional craftsmanship with modern convenience, offering comprehensive flooring solutions backed by professional installation and ongoing support.
