Lashes n? More Introduces Brow Waxing in Hilton Head, SC

November 05, 2021

Hilton Head, SC ? Hilton Head-based beauty company Lashes n? More introduces brow waxing, a new technique gaining popularity in the US.

Brow waxing is a method of removing unwanted hairs using a thin coating of heated wax. Lashes n? More says waxing is a quick and efficient way of removing hair around brows to achieve the desired thickness, shape, and arch. To encourage more to consider brow waxing, Lashes n? More speaks about its benefits.

Lashes n? More says that one of its significant benefits is to save time and money. Since waxing removes hair from the roots, its regrowth period is longer. Waxing the brows could be done every three to four weeks, at least 15 minutes per session only. With this, clients don?t need to visit the salon frequently.

Aside from slow growth, waxing also results in softer and thinner-looking eyebrows when it starts to grow again. They grow back significantly softer and thinner. Likewise, waxing promises a flawless eyebrow shape. Professionals like Lashes n? More have been helping many people get the best shape for their brows. As the hair grows after waxing, they also grow back into a desired shape and direction.

Beyond just aesthetics, the Best Brow Waxing Services in Hilton Head Island also stressed the benefits of waxing in keeping someone's skin healthy. The brow expert says waxing also works like exfoliation. They help get rid of dead skin cells, which can cause breakouts, pimples, and dryness. Ingrown hairs can also be avoided with waxing. Professionals sure know how to remove wax strips to lessen the danger of ingrown hairs. Through the help of professionals, many people also get rid of irritation brought by shaving and plucking.

"We offer affordable prices on our waxing treatment and make your experience as comfortable as possible, so there's no pain involved," the company states.

Aside from waxing, Lashes n' More also offers Classic Lash Extensions, Brow Lamination, Lash and Brow Tint, Lash Extension Removal, Lash Lift, and Volume Lash Extensions. The company was founded by Irina Rudman, who received training on various brow procedures from Russia and South Korea. Thus, Lashes n' More customers enjoy a unique combination of techniques from Russian and South Korean schools of lash extensions.
